From the desk of the editor...

Like many past Azoan editors, my editorial is pretty much the last submission to the 2007 Azoan. This year's production of the Azoan was a bit of a roller coaster ride. Following in the footsteps of three of the last four fraters from Epsilon, I thought I knew what I was up against when I hesitantly accepted this appointment from Supreme Directorum Vince Paul. I started sending out the first of many emails in February, shortly after the Orlando Convention. Little did I know, instead of getting back reports/articles, I received a few complaints. I'm a procrastinator by nature, so I figured better get a jump start on the process. The production started off slow and I was getting hassled for all my missing material. Finally, response picked up and for a few weeks in April I was definitely a busy bee. Now after many late night calls, I am down to the final hours of crunch time. As the editor, I take pride in my work as I strive for perfection. This was a great experience for me, regardless of the twists and turns along the way. I was able to meet and talk to many fraters who I have never seen or even heard of before. I thank all the fraters and officers for using our essential means of communication and acknowledging the traditions of our fraternity so the reports and pictures will compile to make a great Azoan for the records.

Here is a little background on myself. My journey in AZO began about eight years ago as a mere freshman in the now Ernest Mario School of Pharmacy at Rutgers University. One of the biggest decisions of my life at that point and even more today, was to pledge our great fraternity. Not knowing the experiences, relationships, and life changing events I would encounter, I completed the pledging process with no turning back. Eager to get involved as an undergraduate, I served as pledge committee for two semesters, pledge master, and Undergraduate Sub-Directorum. My first year as an alumni in the Epsilon Chapter, I served as fundraising chair. That same year I was appointed Supreme Historian. As the year progressed the discussion was inevitable about my future involvement in Supreme. Supreme Directorum Vince Paul not only asked me to continue my office as Historian for a second year, but must have seen my heart and devotion as he asked me to take on the Azoan. I never back down from a challenge and thankfully accepted.

This fraternal year has again been a successful one; not only advancing within the profession of pharmacy but also taking steps to improve overall involvement on all fraternal levels. We also took a few great losses with the passing of some really inspirational fraters such as Herman Vogin, P.S.D. We all enjoyed the fantastic conventions in Boston last summer and sunny Orlando this past January. I am extremely impressed in our involvement this year in our Supreme National Charity Project, The American Cancer Society. The teaming up of Supreme Directorum Vince Paul and Supreme Undergraduate Representative Jared Stroud has allowed me to produce a great report showing fraternal involvement in the community. Our advancement in communication and interaction this year has proved to be helpful in keeping fraternal activity. Thanks to Supreme Sub-Directorum John Anciano for using networking sites such as facebook and Myspace to link the majority of our undergraduate chapters together. I think that this interaction is an integral part in stimulating fraters to keep active. I was also impressed by the amount of visitation between chapters. Epsilon, Tau, and Sigma all had interaction with each others' events. This showed the true meaning of brotherly love and fraternalism.

On a professional level, it is important that we recognize our pharmacy profession. With a newly appointed office, Frater Mehul Patel has helped continue CE programs at our conventions. He has also sparked an interest in our undergraduates as he traveled to universities to speak about different career opportunities. There are no more notions that everyone begins in retail. The choices are endless and the opportunities near and far will allow us to continue to thrive and keep our fraternity heading in the right direction. The range of pharmacy fields available has also been shown through our mentorship committee led by Frater Alan Abrams, P.S.D. With some changes in our website, we can ease communication and spark more involvement.

I believe a new era is upon us. Our focus is to continue working on current issues, but also to plan for the future. Make no mistake, history is what allows us to be in the position we are today. Events and people in our history have been marked and precedents have been set. I have the utmost respect for all the fraters that have made the fraternity into the great force we are now. A big focus is to continue our efforts in reactivating chapters as well as starting up new ones. Frater Stephen Imperato has made some headway in his efforts to start up communication with various locations of interest. We need to continue to build off his progress in expanding our nationwide activity. Newly activated Psi Chapter has been a successful operation as you can see with convention involvement and chapter activity. Our focus should be to continue gaining interest and finding new ways to keep undergraduates active so that they can build our future, as well as keeping Chapters busy with more innovative means. We need to keep up with the technological and pharmaceutical advancements so that our fraternal traditions can be expanded to new levels. We need to continue with community service within each Chapter and Supreme as well as keep up with fundraising to help our fraternity grow financially.

Lastly, now I'd like to take the opportunity to thank the appropriate individuals on their aid to me in this process. Like an award show, I'll try to keep the list short and sweet. First, I'd like to thank once again Directorum Vince Paul for believing in my abilities and my devotion to the fraternity in appointing me to this position. I'd also like to thank Fraters Lou Flacks, Bruce Strell, Brian Pinto, Lenny Ortega, John Anciano and Bob Kirschner on all their information and guidance to help make the Azoan better. I'd like to thank Mike Seidenman for his great pictures and his patience in dealing with my picky eating habits over the past years since my first convention in Arizona. I'd also like to thank three Epsilon Fraters, Stephen Imperato, Brian Pinto and Leanne Clymer, who used their Azoan experience to help guide me through the process. I appreciate the help from my personal proofreaders, Lois Seidenman and Jeanne-Marie Holly. I thank our printer Don Reisfeld, who made my experience less painful than expected. His expertise and experience has helped me understand this process and has helped make this Azoan a great one. Last to our great fraternity, AZO, and all the officers, I thank everyone for their articles and pictures. I look forward to seeing everyone in Atlantic City.

Fraternally,

Bryan Brunner

The Creed of Alpha Zeta Omega

ALPHA ZETA OMEGA is a Pharmaceutical Fraternity composed of Pharmacists and Undergraduates in Pharmacy, selected on the basis of

CHARACTER,

FELLOWSHIP,

and

SCHOLARSHIP.

The objectives of the Fraternity are to: promote the profession of Pharmacy; develop high standards of Scholarship; inculcate a spirit of Fellowship among its members; bring together a body of pharmacists who, by the diligent maintenance of ethical ideals and faithful service, have proven a credit to their chosen profession; honor achievement in others; commend all worthy deeds; and build within our Fraternity a triangle composed of three supporting sides which are...

*Deceased

Supreme Directorum Report

As we complete this fraternal year, and so we do every year, the officers are prompted to write an article for publication in the AZOAN. Typically, this article is one which recaps the previous year's activities. After reflection, I realized that the single immediately preceding year was only part of the picture, and a small part at that: Thus, the recounting can not be limited to one single year.

Alpha Zeta Omega was founded in Philadelphia in 1919 at the Philadelphia College of Pharmacy and during the ensuing years spread throughout the United States and abroad. In 1977, I found myself attending that same institution where AZO was founded and had the honor of joining.

AZO seemed old to me in the spring of 1977. The fraternity had been around for almost 60 years. The history of the fraternity, as told in 40 Years of AZO, was drummed into my head and those of my pledge brothers during our eight weeks of pledging. These were eight weeks of memorizing the full names and significant amounts of information about every Beta frater, learning the founding fathers, the fraternity song, and the history of the fraternity, among other things. I had the pleasure to meet many of the makers of that history the next summer, 1978, at the Stevensville convention (the second one). Many of the fraters whom I read about were there and still active with committees and the politics of the fraternity.

Fast forward to 2007. I am celebrating my 30th year in the fraternity. There have been many fantastic conventions in many great places during the previous 30 years. And during that time, the historical greats of the fraternity have been in attendance. Not only did they attend these conventions during the past 30 years, but those historical greats of the fraternity nurtured and made room for new fraters to direct the fraternity. The next generation consisted of those who joined the fraternity after the first great wave and included those fraters who joined in the '60s, '70s, and '80s. On occasion, it was a time of distress for some, that things were changing, that the same fraters were not doing the same things in the same ways. This was something that we worked through and the fraternity continued to grow. That time has come once again.

As we end this fraternal year and look to next year and beyond, we see an entirely new group of fraters ready to lead the fraternity: a new generation who joined the fraternity in the '90s and '00s. They are fraters, some of whom may have a different perspective on what to do and how to do it. But anchoring their goals is a love of AZO and a respect for the history of the fraternity and of those who have come before them. It is the responsibility of the more seasoned fraters (yes, that now includes me) to advise the younger fraters and, when necessary, to help them achieve their goals for AZO. This is what was done for us, and it is our time to do the same for them, and for AZO.

For this is how the fraternity goes on: from generation to generation. As we say "goodbye" to the ending fraternal year and look up to greet the new one, let us do so with the knowledge that the latest group of fraters begin their leadership journey. They will make mistakes and will achieve greatness, just like those who have preceded them.

Fraternally,

Vince Paul

Supreme Directorum 2006 - 2007

Supreme National Charity Project
American Cancer Society

The Supreme National Charity Project this year is the American Cancer Society. You may log on to their website at www.cancer.org or call their toll free number 1-800-ACS-2345. The American Cancer Society is at work in communities all across the country providing programs aimed at reducing, detecting, and treating cancer. Many of us have been affected by this disease either by loved ones, family, and friends, or indirectly by providing support. There are many ways to get involved by donation or volunteering in the Relay for Life, Golf Tournaments, and Coaches vs. Cancer to name a few.

The Sigma Chapter at the University of Toledo held a 5K to benefit the American Cancer Society on Sunday, April 22. A total of 61 walkers and runners participated, bringing in a total of $620 that we were able to donate to the American Cancer Society. Thanks to Officer Tressa Johnson of the University of Toledo Police, the event ran smoothly - she did a lot to help us plan the course, as well as leading the runners in a golf-cart. The 5K began at 9 AM, with the runners beginning first and the walkers starting a few minutes afterward. We had a very diverse crowd made up of students, siblings, AZO Fraters, and running enthusiasts from the Toledo Area. Prizes were awarded to the top 2 male and 2 female runners. Barry's Bagels, Panera, Giant Eagle and WalMart were all generous enough to help us sponsor the event by donating refreshments for our runners after the race.

This past semester, AZO's Nu chapter participated as a team at UConn's Relay for Life, which was held on April 20th and 21st of this year. In order to raise money, we held several bake sales at the pharmacy school, asked professors to donate, asked our classmates to donate, and raised money individually. Overall, 15 brothers actually participated in the event and walked, while the other members who did not join us helped out greatly with our bake sales and raising money. Also, one of our members served on Relay for Life's planning committee as the advocacy/message delivery chairman. Through our hard work we managed to raise about $1,500 for the American Cancer Society. The overall total for this years Relay at UConn wound up being $86,000, which is staggering since last year only $45,000 was raised and the goal for this year was $50,000. Relay for Life was a great success and we plan to continue having teams and participating in the future.

Other Chapters were also involved in different fundraising activities. Kappa Chapter had their white coat sale. Tau Chapter held a bake sale, a luncheon, and sold Yankee Candles. Epsilon Chapter held an overnight walk/camping event to raise money. Psi Chapter will hold its Relay for Life event in June '07, and already has sold food and drinks at their Walmart BBQ to raise money.

Fraternally,

Vince Paul
Supreme Directorum

Relay for Life 5K Event for The American Cancer Society.

National Auxiliary President Report

Dear Fraters of AZO,

Another year has passed and we are still going strong. The Convention in Boston was fabulous, as was the Winter Convention in Orlando.

I noticed that many of the young fraters are becoming adults and we oldsters and youngsters have more in common. That's a good thing! It is always great to be with my family of AZO people.

If anyone out there has not attended a Convention in a while, please come back. You are missing out on a lot of good times, good friends, and wonderful memories.

Congratulations to Supreme Directorum Vince Paul, who took the office again. I know how that goes!!! Hopefully, Mike and I can sit with Vince and Cheryl on the floor and not the dais for a change! It's nice up there, but more fun down below. I am tired of acting so mannerly and proper – it will be nice to be a regular attendee for a change.

But please come to Atlantic City. I hear there are lots of good times to be had there. Strolling along the Boardwalk with your AZO buddies will only fill your memory jars with more exciting and fun times. Mike and I look forward to seeing you all there in July.

Sincerely,

Lois Seidenman, P.N.P.

National AZO Auxiliary President

National Auxiliary honoring Lois Seidenman, P.N.P.

Lois with Undergraduate Award Recipients Matthew Gimbar and Andrea Pallotta at the Orlando Mid-Year Regional Convention.

Supreme Sub-Directorum Report

I would like to thank all the fraters for the amazing support and cooperation that you have given me throughout the years. This past year I tried to increase communication and interaction between alumni and undergraduate chapters through both conventional (phone calls, postal and electronic mail) and unconventional means. Some of those unconventional means of communication include networking sites such as Facebook and MySpace in which the fraternity already has groups that contain around 300 fraters from multiple chapters, mostly undergraduates. These sites have personal profiles in which members have easily communicated and been able to learn about their undergraduate and alumni counterparts in other chapters. Along with these profiles and groups, these platforms also allow photo albums which fraters put up to give other members instant insight to the success of their events.

To further increase communication, I have also taken the time to visit other chapters with other brothers from Epsilon. We were able to make our annual February visit to the Tau Chapter during their pledging period and were joined in Boston by a couple of Sigma members. And in March, four Epsilon alumni and myself took in the Sigma Chapter's annual Bowl-A-Thon and a trip to Windsor, Canada. During both trips, the fraters of both chapters demonstrated incredible hospitality and fraternalism. I hope that in return we were able to impart the ideals of fraternalism, what it means to be an AZO brother, and the knowledge that there is more to Alpha Zeta Omega outside of individual chapters and continued fraternal activity once one becomes a graduate.

I was also fortunate enough to be able to host visitors from those same chapters mentioned above. Several members of the Tau Chapter came to visit during the Rutgers Homecoming weekend in September and three Sigma brothers came to visit for their spring break in March. During these visits, all fraters involved had a great time and demonstrated the AZO ideals of Peace, Friendship, and Brotherly Love.

At the Orlando convention, another project that I had been working on came to fruition as an adjustment to the Directorum's Cup points was approved as a bylaw change effective for the 2007-2008 fraternal year. One of the major additions to the Directorum's Cup structure was the addition of points to reward chapters for inter-chapter activity. The committee's hope is that the changes will more accurately reflect the goals and activity of the fraternity.

Other projects that I have been working on have been the creation of the 10-year certificate that had been approved at prior meetings, assisting with the Atlantic City convention, working on website revisions, preparing for the Achievement Medal presentation to Dr. Michael R. Cohen, and reviewing submissions for the Jay L. Pollack Undergraduate Award. I hope I have fulfilled your expectations for the position you had elected me to hold for this year and I will try to continue my work for Alpha Zeta Omega at the high level of excellence that you all have come to expect from a Supreme officer. Thank you again, and I hope to see all of you this July in Atlantic City for the upcoming convention.

PF&BL,

John Anciano

Supreme Sub-Directorum

Supreme Excheque Report

I thank the fraters of the fraternity for once again allowing me to serve you this time as your Excheque. The last four years have been a real learning experience of the inner workings of the fraternity. I thank those chapters and their respective officers for keeping me informed of their financial status: Beta, Connecticut Alumni, Detroit Alumni, Epsilon, Eta, Kappa, Miami Alumni, Milwaukee Alumni, Nu, New York Alumni, Philadelphia Alumni, Psi, Sigma and Tau. I'm thankful to many people especially my predecessor, John Anciano, for helping me become accustomed to this role. As far as certain aspects of my office are concerned, direct billing has continued to be very valuable to stabilizing our finances and I have helped take a greater role in helping Lou Flacks with our AZOAN fundraising which we'll report the results of at the summer convention. Thank you and see you in Atlantic City.

Pfbl,

Brian Pinto

Supreme Excheque

Supreme Undergraduate Report

I began my term as Supreme Undergraduate Representative with two goals in mind: to retain a high level of contact between chapters, as well as overseeing the completion of the AZO charity project for the American Cancer Society. I am pleased to report that both goals have been met successfully.

The 2006-2007 fraternal year saw an extraordinary amount of fraternalism among undergraduate chapters. Accompanied by a few other fraters from my chapter, I had the great opportunity to visit both Tau and Epsilon during their pledging and would personally like to thank fraters Kim Hanna and John Anciano for housing us on those two occasions. Additionally, the Sigma chapter played host to five Epsilon alumni who made the trip to Toledo for our Bowl-a-Thon event. It is my hope that fraters will continue to make annual trips to other undergraduate chapters, as the bonds formed on a national level are truly a unique and great aspect of this fraternity.

At the time of this writing, every undergraduate chapter has participated or has plans to participate in the charity project for the American Cancer Society. I extend my gratitude to all of the chapters for their hard work and dedication to this project, and for keeping in touch with me throughout the year.

In closing, I would like to thank Supreme Directorum Vince Paul and the rest of the supreme officers for all of their hard work and help they have given me throughout the year. Holding this office has given me an even greater appreciation for AZO, and I can honestly say that I will miss having this position next year. I look forward to aiding the next Undergraduate Representative in any way possible, in addition to remaining active in Supreme.

Peace, Friendship, and Brotherly Love,

Jared Stroud

Supreme Undergraduate Representative

Deputy Report

Thanks to Supreme Directorum Vince Paul for appointing me as his Deputy.

University of Findlay faculty decided that they only want one fraternity. Albany's Intra Fraternity Council refused to allow discussions on a new chapter and the faculty could not, or would not, intervene. Our early hopes for new chapters were stopped because of circumstances beyond our control. But, we still have great hope for one, or more, new chapters. The most promising is for a new remote location, The University of Maryland Pharmacy Campus at Shady Grove. This gives Kappa a chance to grow.

My thanks go out to all of our Supreme Officers who are assisting in securing new chapters. I want to single out Frater Jared Stroud, Supreme Undergraduate Representative for his help. Without Jared's, and the other officers help, we would be nowhere in our search for new chapters.

Fraters, there are new colleges of pharmacy, such as Findlay, being opened now than at any time in modern pharmacy history. Colleges like Maryland and Nova Southeastern are opening remote branches. Now is the time for AZO to go on the hunt for new chapters. Fraters, we need your help.

Fraternally submitted,

Mike Seidenman, P.S.D.

Deputy

Professional Affairs Career Resources Report

It is with great pleasure that I announce two successful CE programs at our summer and winter AZO conventions. Last summer in Boston, we were able to present on the course of Alzheimer's Disease, a chronic neurologic condition that leads to considerable disability and mortality. This past winter in Orlando, we discussed the general diagnoses and management of the common thrombotic diseases, DVT and PE which are commonly seen in the acute care setting. In addition, I have had the opportunity to speak at the University of Toledo to many AZO undergraduates regarding the many professional career opportunities for Pharm D. graduates. The professional chair opens up this opportunity to any chapter. Please e-mail me at mehoolio@aol.com if you are interested in the presentation or if you have any particular questions or suggestions for the professional chair. We hope to open a one or two day CE course for live credits this upcoming year.

Fraternally,

Mehul Patel, PharmD.

Director of Professional Affairs Career Resources

Raffle Report

The Sixth Annual Supreme Chapter 50/50 raffle, see page 45.

Fraternally,

Steve Brooks, P.S.D.

Committee Chairman

Electronic Communications Report

As you may or may not have known, my computer crashed, died, mummified and turned to dust last December. Luckily, I kind of felt it was coming and did a back-up of all my data the day before it said bye-bye. Unfortunately, I was unable to save my e-mail listing.

I have rebuilt the list by replacing the emails that are listed on the website. I then went through the fraternity government and added any names and addresses to complete the list as much as possible. I sent you all an email so I was able to check and weed out any bad listings. Did you get my email check request? Please check with your fellow fraters to see if they received my email. If they did not or if you did not receive any email from me by the time you are reading this report, just send me an email so I can add you to my list. In this way you will be able to once again receive communications from the Supreme Chapter. Take some time to check your listing on our fraters' email pages. If you do not know the ID and password contact me and I'll supply you with that information. I thank you for your trouble and assistance in this matter.

The page that shows the Auxiliary email list is now working and any member of the Auxiliary can now have their email address listed. In fact, if you did in the past, check out the page and see if your email address is up to date.

The web site is a vital tool of communication. Pages that have been updated are listed as such on the index. Use the web site to its fullest. As your webmaster I can truly state that I have had many requests from fraters and non-fraters for information from the supreme officers and general information about the fraternity that I have been passing along to the fraters involved. It's great to be in AZO!

Fraternally,

Mort (Bubba) Smith, P.S.D.

Director of Electronic Communications

Log on and re-register at **www.AZO.org/Registrations.html**

Financial Affairs Report

Again, my thanks to Directorum Paul for the appointment to this office.

Our two meetings this fraternal year, in Boston and Orlando, have been self-sustaining, and if we collect our outstanding Ad monies, we will cover some of our other expenses. As of this writing, we have again managed not to tap our Funds for money. My thanks to Directorum Paul, Excheque Pinto and of course P.S.D. Flacks for keeping expenses down..

I will continue to work with Excheque Pinto till our meeting in Atlantic City. Hope to see many of you there.

Fraternally,

Ernie Jacobson, P.S.D.

Director of Financial Affairs

Mentor Committee Report

At present, 14 Fraters have volunteered to be mentors in various fields of pharmacy. The fields represented are: Manager of Technical Affairs in the regulatory department of a generic drug importer.

IV Home infusion; Mail order; Retail store owner and HIV drug specialist; Director of community affairs for a hospice pharmacy; information on pharmacy regulatory affairs; information about third party prescription plans; Active in state pharmacy organizations; US public health service and assistant editor of a publication; Medical doctor; Assistant Professor of Pharmacy practice; Retail & hospital pharmacy; law school student; VP of fortune 500 company; chair store mentor; US Air Force Director of Pharmacy.

I am in the process of changing the set up on the AZO web page so that Fraters needing help or information will be able to contact mentoring Fraters directly via e-mail. In the past Fraters have contacted me and I forwarded the request to the relevant Frater.

We can always use more Fraters to be mentors. Please volunteer so that this program can be a success and an integral part of the AZO program. I hope that more Fraters take advantage of this program in the future.

If you would like to become a mentor or have any suggestions please contact me via e-mail at aebrams1@aol.com or at my mailing address of 1796 Spring Path Trail, Clemmons, NC 27012. My phone number is 336-766-3403.

Fraternally,

Alan Abrams, P.S.D.

Director of Continuing Education

I am pleased to report that this office, with the tremendous help of fraters Mort Smith and Lou Flacks, has presented A.C.P.E. accredited continuing education programs in Orlando, Florida and Atlantic City, New Jersey. We wish to thank those Pharmaceutical companies for their educational data support.

Fraternally submitted,

Jeff Levy, M.D.
Director of Continuing Education

Trade Relations Report

I am pleased to report that this office, with the help of many fraters across the country, has successfully reached its goal. I also wish to thank the numerous pharmaceutical manufacturers, wholesale companies, as well as retail pharmacy vendors for their generous support.

Respectfully submitted,

Jeff Levy, M.D.
Director of Trade Relations

Supreme Signare Report

First, I would like to thank the fraternity for giving me the opportunity to serve as Supreme Signare. I thank all of the chapters that sent me their information and have helped Supreme stay up-to-date with your activities. Information and communications have been received from Beta, Epsilon, Eta, Kappa, Nu, NY Alumni, Psi, Sigma and Tau. Our fraternity has inducted 78 new members this year. Congratulations to our new fraters and our chapters for a job well done this year.

In conclusion, it has been a pleasure serving the fraternity this year in my position. I will continue to serve our great fraternity to the best of my ability in the future and invite other fraters to get involved and remain active within the fraternity. We can accomplish a great deal working together. Thank you and I will see you all in Atlantic City.

Fraternally submitted,

Leonardo 'Salsa' Ortega
Supreme Signare

Supreme Bellarum Report

As Bellarum, it was my duty to see that the AZO Banner and paraphernalia are at all Official Supreme Meetings. It was a burden that I gladly accepted. This was by no means an easy task. I took on this task with unquestionable loyalty and to the best of my ability carried out the duties of Bellarum during my tenure. I want to thank our Supreme Directorum, Vince Paul, for giving me this opportunity and the rest of the Supreme Officers for putting up with me and helping me through the year. I want to thank my wife, Rosalie, for helping me pack the "goods" for AZO Supreme. I hope that everyone had a wonderful 2006-2007 year as we had. Remember those AZO fraters and friends we lost this past year, our prayers go to them and their families. They will not be forgotten.

PFBL,

John Chin
Supreme Bellarum

2007-2008 Proposed Regional and National Convention Report

The 2007 National Convention will be held at the Hilton Casino Resort in Atlantic City, New Jersey from July 16-20, 2007. The proposed 2008 Regional Convention will be held mid-January 2008 in Lake Las Vegas, Nevada and sites under consideration for the 2008 National Convention are Sarasota, Tampa/St. Pete, Aruba and Puerto Rico to be held next July.

Respectfully submitted,

Lou Flacks, P.S.D.
2007 Convention Chairman

Supreme Chaplain and Good & Welfare Reports

This is the second year that Chaplain and Good and Welfare Offices have been combined into one position. It has been a pleasure to serve in this capacity for the past two years.

The Silent Mortars are included in this 2007 AZOAN. It will be my honor to lead the Memorial Service to be held at the 87th Annual National Convention in Atlantic City, New Jersey in July, 2007.

The Good and Welfare Chairperson did not have the opportunity to send good and welfare cards from July to December, 2006 because the Chairperson had moved and the files were not located until late December. It was my intention to not have a break in service from this office but after moving 21 years worth of belongings it took longer than anticipated to locate some items. These individuals were acknowledged in the March 2007 edition of *The AZO Apothecary.*

I have enjoyed serving the Fraternity in this capacity. Combining the two positions has worked well.

In summary, I would like to thank Supreme Directorum Vince Paul for selecting me to serve the Fraternity in this capacity. It has truly been an honor to serve the members of the Fraternity as the Supreme Chaplain and Good & Welfare Chair.

Fraternally,

Paul R. Holly, P.S.D.

Supreme Chaplain and Good and Welfare

Director of Fraternal Affairs

It is the duty of the Director of Fraternal Affairs to act as a source of fraternal tradition, knowledge, and protocol. In this regard, information and advice has been given to Supreme Directorum Paul, Sub-Directorum Anciano, Signare Ortega, Excheque Pinto, the Winter Regional Committee, and the National Convention Committee.

I was asked by Supreme Directorum Paul to act as a liaison when a student from Palm Beach Atlantic School of Pharmacy contacted AZO through the AZO.org web site with an interest in starting a new chapter. I was in contact with the student over the next several weeks. However, it was decided not to follow on expansion at this time.

At the time of this writing, The History of Alpha Zeta Omega – The Next 25 Years 1980-2005 is a work in progress. Further information will be available at Atlantic City this summer.

My thanks to Supreme Directorum Paul for his trust in appointing me. I hope I was able to live up to his expectations.

Fraternally,

Bruce Strell, P.S.D.

Supreme Signare

Director of Development Report

I would first like to thank Supreme Directorum Paul for appointing me to this position. It has been somewhat of a challenge as I am the first to hold this office with no guidelines or set duties to go by. Although I am unable to report new chapter activations I would still say this has been somewhat of a successful year. Currently I am in contact with students at the University of Albany, Ohio State, and St. Louis College Of Pharmacy. In addition there have been several other inquiries from other colleges including Palm Beach Atlantic and University of Maryland at Shady Grove.

Things look very promising at both Albany and Ohio State. Our contact at Ohio is a frater from Sigma Chapter, Mary Coehrs, who recently transferred there. She has already been in contact with an advisor within the college of Pharmacy who agrees that an AZO chapter there would be a positive opportunity for the students. I will continue to keep in contact with Mary and hopefully at some point next year we may be able to re-activate Theta Beta.

Some of you may recall this is the second time we have made an attempt to start a chapter at Albany College of Pharmacy. Fortunately this time around the administration and governing council has not completely blocked our progress. I have been in contact with three different individuals at ACP and they have expressed an interest in starting the approval process again. It is my understanding that the administration will be changing which may allow us to finally have these eager students join AZO. I recently spoke with one of the interested students and together we plan on working out an action plan during the summer that will hopefully go into effect in September.

As for St Louis College of Pharmacy, my contact there continues to express interest but at the current time is unable to dedicate enough time to the reactivation process. I will continue to work with her in hopes that her interest may spread to others who are better able to start the process.

Finally I have been working to collect information on newer Pharmacy schools around the country as I believe this is our best option to gain chapters with the least amount of resistance. I intend on sending out bulletins or ads to several different popular internet sites among students as well as mailing out "Dear Dean" letters in an attempt to get our name out. I want to commend the work that has been done on the website as its improvements have allowed us to better serve current fraters as well as begun to attract future ones. I believe that our number one resource will be our website and I urge future administrations to continue investing resources into making it even more professional.

Once again thank you for the opportunity to serve AZO. I look forward to seeing some of these prospects become realities and adding new chapters to this great fraternity.

Fraternally Submitted,

Stephen Imperato

Director of Development

Director of Mailing Report

I am pleased to report that this office has mailed newsletters, flyers, regional and convention information, an AZOAN and fraternal communication in a timely and economic fashion. We have renewed our bulk mailing permit, and will come under budget this fraternal year.

Fraternally submitted,

Louis Flacks, P.S.D.

Director of Mailing

Director of Corporate Alliance Report

I am pleased to report that we've succeeded in meeting our financial goals, and we're strengthing our relationship with major corporations in the pharmaceutical industry.

Fraternally submitted,

Lou Flacks, P.S.D

Director of Corporate Alliance

Newspaper Cup Report

I want to take this opportunity to thank Supreme Directorum Vince Paul for giving me the opportunity this year to be the Sidney Rome Newspaper Cup Chairman. It was great to hear from the different chapters throughout the country. I hope the future holds great things for our fraternity and participation continues to increase. I am looking forward to seeing you all in Atlantic City.

P,F,and BL,

Matthew Gimbar

Chairman Sidney Rome Newspaper

Supreme Legal Advisor Report

As the legal advisor, it is always good to report that the activities of this office were slow. I hope that was because there were no concerns or questions rather than a failure to report. Some of the officers did have a discussion about insurance coverage as a request had come from one of the undergraduate chapters. Questions were posed to the University Administration without adequate answers to this point. Thank you to Vince and the entire Board. It has been a pleasure to serve with you.

Fraternally yours,

Joy Pollock, Esq., P.N.P.

Legal Advisor

Supreme Historian Report

I would like to thank Supreme Directorum Vince Paul for appointing me as Supreme Historian for a second consecutive year. This past fraternal year has been more exciting and eventful than the previous. I have taken many photographs at the conventions held in Boston and Orlando, as well as other fraternal events during the year. I have many memories from my Chapter at Epsilon including Homecoming, pledging and social events, and our Semi-formal/Closing Affair, where Supreme Directorum Vince Paul and his wife Cheryl attended. I'd like to thank everyone who has helped me compile pictures and information that will assist me in creating a memory album of two years that will be presented to Supreme Directorum Vince Paul. I plan to continue working for Supreme Chapter.

Fraternally yours,

Byran Brunner

Supreme Historian

AZO Direct Report

AZO Direct is the chapter established for Direct Members, members without affiliation to another chapter. This chapter is intended for alumni members who are no longer associated with an active chapter. In return for dues payment, a member will continue to receive all fraternity mailings, the annual AZOAN, and the great feeling of being a part of AZO. This years' AZO Direct had 48 dues paying members. We had 1 previous member that declined membership. A mailing was sent out to over 150 fraters that had previously paid dues to this chapter. Seven previous fraters came back with a change of address which was forwarded to the Director of Mailing.

I would like to thank Supreme Directorum Vince Paul.

Fraternally,

Shari D. Fine, P.S.D.

AZO Direct Chairman

Associate Signare Report

It has been a pleasure serving you in this capacity. I am ready to hand over The newspaper – the Apothecary. Thanks to everyone who helped out and contributed to the paper. I learned a lot about all the chapters from reports and emails. It was great to hear from undergraduate chapters on a monthly basis. Hope to see you in Atlantic City.

Fraternally

Harry Lieberman

Supreme Associate Signare

Boston National Convention Report

The 86th National Convention was held in one of America's oldest cities, Boston, Massachusetts July 19-23, 2006. On Wednesday, July 19th, Alpha Zeta Omega moved into the newly renovated Hyatt Regency Hotel in Boston's Financial District. After the Memorial Service, we had a lovely cocktail hour on an outdoor terrace overlooking the city. After dinner, we all toasted to the 2006 Meritorious Award Recipient, Dr. Jeff Levy. The illustrious Bob Kirschner engaged the audience with a lesson on the fraternity's lengthy history. Later that evening, the undergraduates tried their voices at karaoke out on the town, while others relaxed in the ever-cozy hospitality suite.

Thursday's festivities included fraternity meetings followed by a CE luncheon where Frater Mehul Patel spoke on Dementia and the Memantine Safety Profile. Later that evening, we toured the historic city by bus on our way to an enormous family-style dinner at Maggiano's Little Italy. We were free to experience the history, food, fun and shops of the 5-square mile town all day on Friday. Some fraters walked the Freedom Trail, which takes walkers along a two mile trail of popular sites from the American Revolution; others visited some of Boston's finest museums.

The Installation Dinner was as classy as ever with Frater Vince Paul being re-elected as Supreme Directorum and Lois Seidenman taking the reins as National Auxiliary President. We danced the night away… complete with kickline by the Tau girls in efforts to sell the much anticipated cookbook. The Cha-Cha Slide posed a challenge for most of the fraters, except Salsa.

Sunday was full of goodbyes and well wishes until the next time we would see each other.

We would like to thank the Fraternity for giving us the opportunity to show some pride on our little corner of the world. We hoped that everyone enjoyed themselves in Boston and look forward to making many more memorable moments.

Fraternally,

Diane Medeiros & Daniella Davis
Convention Co-Chairpersons

Orlando Mid-Year Regional Convention Report

The 2007 Winter Convention in Orlando was particularly fun for us. It was our first attempt at driving from New York to Florida. We stopped and enjoyed the sights along the way even with our car packed to the gills with all our convention stuff! When we arrived at Orlando the fun truly began when we met up with all our AZO friends in the resort-like atmosphere of the International Hotel and Spa where our convention was being held. It was the first time in a very long time that the undergraduates and the "young" alumni outnumbered the "older" alumni.

The fun began when we trekked to Jimmy Buffet's Margaritaville to eat, drink and be merry. The night life at Universal was spectacular; it gave off a carnival atmosphere. Friday we were back on the buses to spend an exciting day at Universal Studios. In the evening we had the opportunity to enjoy the fine cuisine that Orlando had to offer. Saturday after our fraternity and auxiliary meetings, Mehul Patel once again enlightened us with an informative continuing education program. The evening brought us not one but two Undergraduate Award Recipients, Andrea Pallotta and Matthew Gimbar, a most deserving pair. We were *"wooed"* listening to all of their achievements presented by their fraternity brothers. It was an awesome evening! Sunday it was goodbye for most us, while others stayed on to enjoy more of the fun that Orlando offered. We looked forward to seeing each other in Atlantic City in July.

Fraternally,

Gloria & Lou Flacks, P.S.D.

Chapter Reports

New York Alumni

This has been an eventful year, so far. The year started on a sad note – the death of Auxiliary President Phyllis Goodman. We still mourn her loss and will remember her always.

Our installation of Officers was held at Portobello in Astoria in October. In November, we were at the Westchester Dinner Theatre where we saw The Full Monty. Linda Masia made the arrangements and we thank her.

The December holiday party was at Travelers Rest in Westchester. Lou and Gloria Flacks set it up and organized a "grab bag." In January a large delegation attended the mid-year Convention in Orlando. February was the time for the annual Winter Weekend at The Pine Grove Ranch in "upstate" New York. Everyone had a good time, except me, I fell on the ice and landed on my tush. Well, the only thing hurt was my pride.

In March, we took a trek to New Jersey. Steve and Agnes Brooks arranged a great dinner at Arthur's Tavern in Frank Sinatra's hometown, Hoboken. April found us in Rockland at Linda Masia's favorite Chinese buffet – Hot Wok Buffet. She and her mom, Essie, had a rough trip from home – about five minutes.

Our annual trip to New York City (Manhattan) will be held in May. The fraters will be at the Roxy Deli and the auxiliary at Saks Department Store. Elections will be held in June at a place to be announced. The lobbying and politicking have already started.

Our condolences go to Gloria Flacks and Jeff Levy on the loss of their mother, Irene Levy. She was a frequent guest at New York AZO when she and her husband Nat visited from Florida.

I'm looking forward to seeing a good number of fraters and spouses from New York and from all over the country in Atlantic City at the National Convention from July 16 - 20. I want to thank my officers for their help and support. I must single out Marian and Ken Pasetsky for the excellent work they do on the Newsletter.

Peace, friendship, and brotherly love,
Eli Gorelik

Got Milk?

Rosalie & John Chin, Eva Koplin and Agnes Brooks at the convention.

Philadelphia Alumni

Standing: Ernie Jacobson, Herb Garde, Mort Smith, Vince Paul
Seated: Joy Pollock, Sue Smith, and Dottie Jacobson

The Philly Alumni is moving along slowly but surely. Many of our members spent the winter in Florida. The Jacobson's and the Melrose's and the Smith's are now Florida residents.

In August, we had a Bar-B-Q at the home of Joan and Herman Vogin. In November, there was a dinner meeting at a local restaurant for the fraternity members. After that there was really no activity except E-mailing and telephone. Many of us met in Orlando in January. On a very sad note, Herman Vogin passed away in early May. He will be sorely missed by all of us in Philadelphia.

The Alumni is conducting three seminars a year, ACPE approved for five credits each. Our last seminar was this past March with over 100 people in attendance. Our next seminar is this June. This will be the last one until September. Many thanks to the committee for their hard work.

A dinner meeting is being planned for sometime in June or early July before convention.

We look forward to seeing all of you in Atlantic City.

Fraternally,
Ernie Jacobson, P.S.D.
Philadelphia Alumni Signare

Eta Chapter

Eta Chapter's installation of 2007 officers

We have had a busy year so far and it is looking good for the rest of the year. We had two luncheons with the auxiliary that were well attended and enjoyed by all. This was the first year that we had two, and looks like it might be a new trend. We conducted small meetings by both the chapter and auxiliary at the luncheon and kept each other informed as to what each was doing and planning.

Eta held a seminar in February, which was well attended by about 80 pharmacists in the area. Our next seminar is to be held in June, and our big seminar on the topic of law is planned for September. This one usually brings in about 150 pharmacists in the area.

We also have our Man of the year dinner set for this month, May 20th, for Irvin Goodman and it looks like we may have 50 guests for this affair, between family, fraters, and faculty members from the College of Pharmacy of UC.

We also have our dinner set for the installation of our new officers for the coming year in September. So as you can see we have been very busy.

Last but on a sad note, we lost our dear friend Eudy Landman (Jack) on May 9th, after a long battle with many problems. She was a fighter, but her body just gave out. She will be missed.

Fraternally,

Richard Pinsky

Eta Chapter Directorum

Miami Alumni

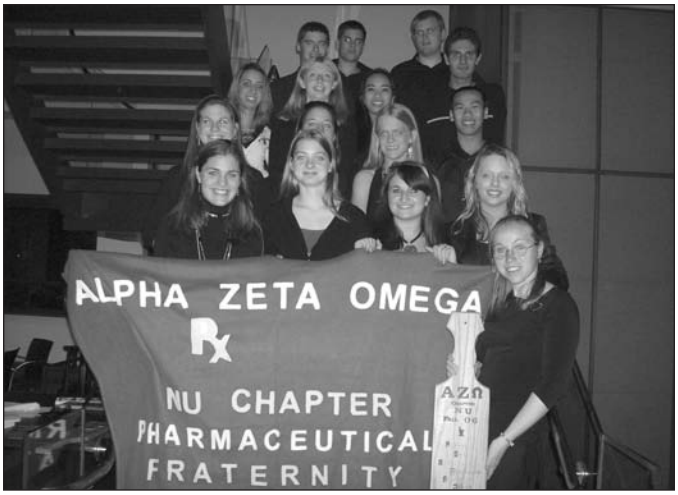
Miami Alumni is still "alive and breathing". It has been difficult for all the Fraters to meet regularly. The Chapter is starting to show its age (physically). We are looking forward to having a luncheon at the end of June at the Seminole Hard Rock. Good luck to the incoming fraternity and auxiliary officers.

Fraternally,

Irwin C. Feder, P.S.D.

Miami Alumni Directorum

Nu Chapter



The Alpha Zeta Omega Nu Chapter ends the 2007 Spring Semester on a great foot! This past semester there were 15 new inductees, which brings the total members up to 45. This is the most membership the chapter has seen in years and we look forward to continued growth for Fall 2008.

Many exciting community service projects were accomplished this past semester. The chapter educated University of Connecticut students about heart disease prevention. Funds were collected for the American Heart Association during February because it is deemed "Heart Month." AZO hosted a program with three U.S. soldiers that are veterans from the War in Iraq, one being a UCONN student. The soldiers spoke to the School of Pharmacy about their first-hand experience in Iraq and educated students about the U.S. involvement in the war. Finally, the Nu Chapter participated in Relay for Life to raise money for the American Cancer Society. This year the fraternity raised about $1,500 which contributed to the university's grand total of over $86,000. This was Nu Chapter's contribution to the AZO organization's community service project towards the fight against cancer.

AZO Nu Chapter also has many members that are part of a distinguished group at the University of Connecticut's School of Pharmacy. Several members were recently initiated into Rho Chi, the pharmacy honors society, because they are in the top ten percent of their class. They include Jeffrey Lalama, the Nu Excheque, Christina Biondo, Nu's upcoming Directorum, and Sagar Makanji, the Nu Sub-Directorum. Sagar also graduates first in the class for the 2007 undergraduate Bachelors of Pharmaceutical Science degree. In addition, Sarah Hooker, the Nu Signare, recently became a commissioned officer in the United States Air Force. She will work as an air force pharmacist for three years after she completes her Doctorate of Pharmacy in 2009.

Finally, AZO is in the process of recruiting current members to attend the Summer Convention in Atlantic City, New Jersey. We hope to send a few members so that we can learn more about other chapters' activities and accomplishments.

With the 2007 Spring semester coming to a close, the Nu Chapter has achieved many proud accomplishments and plans to continue next year. See you in Atlantic City this July!

Fraternally,

Renee Larouche

Kappa Alumni

Standing L to R: Sub-Directorum Arnold Honkofsky, Chaplain/PSD Paul Holly, Directorum Melvin Lessing, Rob Gerstein, Dennis Klein *Seated:* Paula Jandorf, Joseph Fine, Recording Signare Norton Grossblatt, Bellarum Barry Bloom, Corresponding Signare Jerry Friedman, Harry Bass

Kappa Chapter has experienced a meaningful and rewarding fraternal year, with the ultimate entertainment activity yet to come. The inaugural program in September 2006 was a breakfast meeting featuring a Reserve Navy Captain Dietitian whose presentation "Collaborative Healing: Pharmaceuticals and Nutrition" was especially contemporary to Kappa fraters who had just ingested a typical American meal as provided by a first-rate Baltimore hotel's abundant buffet table! The following month's meeting presented an employee of the Maryland Board of Pharmacy, who provided an update on the Maryland Pharmacist Volunteer Corps. She both honored and explained the training of pharmacists who are ready to serve as unpaid helpers in the event of a disaster.

A monetary award was presented to a University of Maryland School of Pharmacy student in memory of deceased Kappa Directorum David Banks, with funding received from his widow Shelley Banks and the Banks family. Subsequent to the customary meeting, a private ceremony installed three new members as AZO fraters. Seventy-five Kappa fraters attended the November meeting to hear Dr. Daniel D. Dietrick describe the "space age" treatment of BPH and prostate cancer in the 21st century via robotic surgery. The next four monthly buffet breakfast meetings, December 2006-March 2007, showcased PharmD specialists, each proficient in his/her professional area. Their topics encompassed clinical updates in diabetes mellitus; an update on the new drugs of 2006; the current management and emerging therapies of postoperative ileus; and, treatment of cancer complications in the ambulatory care setting.

The March lecture was orchestrated in memoriam of frater Albert Katz, the victim of a malignant disease, and sponsored by his widow Ellen Katz. Included was a Kappa donation to the University of Maryland Oncology Pharmacy. Traumatic brain injury and its treatment was the theme of the April get-together, a very interesting PowerPoint illustration that clearly produced anxiety in many attendees. The new slate of officers was elected prior to the program that was dedicated to the memory of Past Kappa Directorum Fredrick T. (Fritz) Berman. As an alteration of our normal routine, fraters gathered for a dinner meeting in May, to hear a lawyer discuss the new legislation for 2007 that pertains to pharmacists.

The annual banquet was again hosted at Linwood's Restaurant in Baltimore County. The evening's highlights included the installation of officers for the 2007-2008 fraternal year and a slide show on steroids by general surgeon and authority on sports medicine Dr. William H.B. Howard.

Every month, on a night prior to the each chapter meeting (which always provided continuing education credits), the Kappa Executive Board convened to accomplish regular chapter business and to plan for future activities. Through the efforts and advice of the Board's members, Kappa Chapter executes the many activities that unfold each season. The collective wisdom of the Board unmistakably far surpasses my own.

Kappa fraters and undergraduate students attended the Orlando convention and should also be present in Atlantic City, firmly supporting AZO Supreme.

As always, Kappa fraters have maintained a close relationship with the undergraduate chapter at the University of Maryland Baltimore Campus. They have participated in rush activities through attendance and monetary contributions, dispensed advice relating to student activities, and arranged the installation ceremony for newly-inducted students. Kappa officially congratulated Professor (Frater) David Roffman on his appointment to oversee the new pharmacy curriculum at the University of Maryland's Shady Grove Campus in Montgomery County, to initiate August 2007. Kappa will endeavor to establish an AZO chapter there in the fall in coordination with the Supreme Chapter.

The piece-de-resistance is saved for August 2007, when fraters will board the Grandeur of the Seas for a five-day cruise from Baltimore to Bermuda. On this luxurious ship, fraters will also attend approved lectures to receive continuing education credits. For one day-and-a-half the liner will be docked in Bermuda.

It has been an eventful fraternal year.

PF&BL,

Melvin Lessing

Kappa Chapter Directorum

Kappa Chapter Re-born

The year started out tough with a lack of membership and little to build on because our chapter had been a little dormant. However, Nnenna Ezeocha, Modupe Adeniranye, and I had sufficient tools (a CD) from our past Directorum, Quoc An Nguyen to help guide the course of events. From that tool, we found alumni contacts and they reached out to us. We found sponsorship through CVS pharmacy (Dr. Lynnette Bradley Baker), and planned two rush events, a breakfast and an ice cream social. Other sponsors included our alumni and Dr. Andy Shiflett, a recent graduate and Kappa alumnus. Signing day was disappointing when we only had two show, and one person join (Eleni Billiris). On October 8th, Eleni Billiris, Nnenna Ezeocha, and I were initiated. Modupe Adeniranye, our acting Sub-Directorum, could not be present.

In October, (Pharmacy month), we organized a health fair at New Song Health Co-op in Sandtown, Baltimore. In attendance were our faculty advisor, Dr. David Roffman, Dr. Chen, the director of the co-op, six students, and a recent graduate. We had one patient with 11 medications, and we learned a great deal! That was the end of the fall semester for us. We

were still clueless as to how to increase membership.

In January, I attended the Winter Convention in Orlando. It was a great opportunity to learn more about AZO. It was the best place to be, and with the best people too. There, I learned that what we need is simply a small group of people who wanted to be together. There was tremendous support from all those present. It felt great to be a part of AZO.

The spring semester began with hopes of having another rush event. Those dreams did not materialize as spring recruitment was generally not supported, and we did not have the manpower to conduct another big event. However, we did have quite a few names through a facebook site that was set up by Jason Kinyon, Bellarum/Historian for next year. Through this site, the work of Ameet Joshi (new Excheque), and Tom Brew (new Directorum), we developed a concrete list of who was interested, and then moved forward with our white coat sale, and the raffle of a Tungsten E2 palm pilot.

This event also served as our fundraiser for the American Cancer Society. It drew more attention for us, and also helped to solicit more help and interest in AZO. We also had a spaghetti dinner led by Eleni Billiris at the Hope Lodge in Baltimore. Thanks to all the support and help of the members, leaders and friends, we have a complete executive board now (Directorum: Thomas Brew, Sub-directorum: Erienne Burton, Signare: Kimberly Still, Excheque: Ameet Joshi, Historian: Timothy Bernheimer, Editor: Xiao Tu, Webmasters: Jason Kinyon and Eleni Billiris, Bellarum: Jason Kinyon, Pledge Master: Michelle Cohen, Service coordinator: Aleena Hassan). They are yet to be initiated, but they already have good reigns on matters, and we have a future now. Thanks everyone, and hope we can be together again in July.

Peace, Friendship, and Brother Love,

Marie A. Ofori

Sigma Chapter

This has been the most active spring semester Sigma has ever seen! We kicked off the year with a great turnout at Winter Convention and then rolled on into the semester. We did it big this semester with three main events all within a month! In March, we hosted the annual Bowl-A-Thon at Timbers Bowling Lanes with some very special guests from the Epsilon Alumni Chapter. The following night of the AZO weekend, a group headed up to Windsor for some excitement! Throughout the semester, we have volunteered with some great organizations in Toledo including Josina Lott Residential and Community Services and Cherry Street Mission. Our numbers of community service hours increase every year! The AZO softball team ended the season with an 0-2 record. We played our hearts out and look forward to a successful year next spring with our Coach Scott! This April, we hosted our Dead Man's End of the Year Dinner at the American Legion which rolled right into the "Anything Goes But Clothes" after party. With some creative costumes and various activities, the Sigma chapter definitely finished up the year in style! To add to our fraternity's national support of the American Cancer Society (ACS), we hosted a 5K Walk/Run throughout the University of Toledo campus. Sixty-one runners and walkers joined the event which rose over $600 for the ACS. The flawless event was a success and we cannot wait to host another run next year! We would also like to congratulate Krystal Ricciardella on receiving this year's Blue Whale Award! See you in July!

Peace, Friendship, & Brotherly Love,

Andrea Pallotta

Sigma Chapter Directorum 2006-2007

Epsilon Undergraduate Chapter

In past years, as I began to prepare for finals (this year compounded with beginning my clinical rotations), I always like to take a look back on the past academic year to recap the successes and evaluate what in our repertoire of service can be enhanced in order to maintain and enhance our image as leaders, excellent students, and great fraters. During this casual evaluation, it's clear that the Epsilon undergraduate chapter has had a busy, productive, and fun-filled year.

Much of our combined efforts this past fraternal year were dedicated to re-establishing Alpha Zeta Omega as a respectable professional organization dedicated to excellence in pharmacy education and practice within the Rutgers Pharmacy community. Fraters Jose Argueta and Tina Huang (undergraduate co-professional chairs) did a great job in ameliorating our professional image and including alumni in activities at the pharmacy school. There were four successful professional events over the fall and spring semesters that were the physical representation of an indescribable body of work. We teamed up with Roche Pharmaceuticals to host a Glucose Monitoring Seminar that allowed students throughout the pharmacy school to develop hands on skills in operating common glucose monitoring kits. During the fall semester, they also organized a discussion panel – "Where Will Your Pharm.D Take You Tomorrow?" – exposing students to areas of pharmacy practice that are not as commonly explored by many new graduates such as industry, residencies, and owning an independent pharmacy. During the spring semester, we also hosted a "Surviving Pharmacy School" seminar and a discussion panel regarding how to get a job while being a pharmacy student.

Fraters Carylle Peters and Patricia Kikiras (undergraduate co-philanthropy chairs) were fabulous in finding new and creative ways for AZO to be a continued presence in the philanthropic community at Rutgers University. They organized a Thanksgiving food drive for a local shelter. I am excited to keep this event as one of the projects we are involved with in the coming years. As in past years, we continued to be very involved in the Adopt-A-Family program associated with the Institute for Children with Cancer and Blood Disorders. Many Epsilon Undergrads had fun visiting with the family that we sponsor, as well as at Rutgers' Dance Marathon (New Jersey's largest student run philanthropic event) for which we had over 10 fraters participating. Frater Carylle Peters and Frater Patricia Kikiras also arranged our participation in the American Cancer Society's Relay for Life at Rutgers. This overnight walk/camping event brought everyone that participated together all while raising money to fight cancer. Coincidentally, the money that we raised thorough this event will be used to fund cancer research done by many professors at Rutgers Pharmacy and UMDNJ.

Of course, there is no way to overlook the amazing winning season of the Rutgers Football team. Frater Joyce Lee and Frater Tony Nguyen (undergraduate co-social chairs) set up several awesome tailgates for both the undergraduates and alumni to celebrate Rutgers' success on the field. These two dedicated fraters made sure that everyone was having fun during rush, various social gatherings, and in the celebration of fraters birthday's throughout the year.

I would like to congratulate Frater Brian Olivera and Frater Samudra Raychaudhuri – our fall and spring pledge masters-on having two tremendously successful pledging periods. Their dedication and innovations have allowed us to welcome a total of 11 new members into the AZO family. I know these new fraters impact on the fraternity will be lasting ones, thanks to having great pledge masters as role models.

Lastly, I would like to recognize and thank Frater Matthew Gimbar for his continual dedication to AZO and the Epsilon chapter. His efforts allowed us the opportunity to have one of the most positive periods of growth for the undergraduate chapter in many years. I would also like to thank the entire Epsilon chapter, undergraduates and alumni, for all of their hard work to ensure the evolution of the Epsilon chapter in a new era of pharmacy practice. I hope everyone has a restful and reflective summer, and I look forward to working with everyone in yet another banner year for the Epsilon chapter.

Fraternally,

Jessica N. Hill

Epsilon Undergraduate Directorum

Epsilon Chapter

Epsilon Alumni at the dinner table at the National Convention. *Standing*: Bryan Brunner, Mary Kropp, Stephem Imperato; *Seated*: Leanne Clymer, Brian Pinto, Lenny Ortega, Christain Gabel, Diane Miccichi, Bill McCormick

Epsilon kicked off the year with its annual Homecoming event which was held on September 16, 2006. This year all the work was done by our Epsilon fraters as our pledging period had not begun yet. I helped man the grill for a while, but Frater Kevin Manion's culinary skills were the highlight of the event as always. We enjoyed delicious hamburgers, hot dogs, chorizo, incredible ribs and Salsa's special chicken drumsticks along with snacks and plenty of beverages. We then enjoyed an impressive win by the Rutgers football team. Little did we know that Rutgers would have their most successful season in decades. Go Scarlet Knights!

In January, we had another impressive showing of members at the Orlando convention. The weather and venue were perfect for a poolside meeting attended by most of our members present. We discussed how to set up a CE program at Epsilon, but mainly how to raise funds for the Atlantic City Convention.

During the semester, our members continued our tradition of visiting fellow chapters in Toledo and Boston as well as playing host to them on a couple of occasions. We extend our invitation to all chapters and fellow fraters to come visit us.

In April we had a blast at our annual Epsilon Semi-Formal/Closing Affair. Through the collaborative efforts of the alumni, the undergraduates and event coordinator Frater Reema Jain, our event was a huge success. Frater Vince Paul and his lovely wife Cheryl were our guests for the night. Frater Paul assisted Frater John Anciano in the installation of our new officers. We ate, drank and danced the night away.

Fraters attending the Orlando Regional Convention.

Epsilon would like to congratulate our very own Frater Matthew Gimbar and Frater Andrea Pallota from Sigma on receiving the Supreme Undergraduate Award. We would also like to congratulate our graduating fraters. May they enjoy very brilliant and successful careers. Epsilon proudly welcomes and congratulates its 11 new members. I would like to extend a special thanks to the undergraduates for persevering through the many changes that were encountered this year and having yet another successful year.

Personally, I would like to thank all of my fellow officers and appointed chairpersons for all of their time and effort. Thank you to Fraters John Anciano and Brian Pinto for all of their help in making this year as smooth as possible. It has been a pleasure serving as Directorum and I wish the new executive board the best of luck. We hope you like what's in store for the Atlantic City Convention. See you there!

Robert Kirschner, P.S.D. giving Epsilon fraters an AZO history lesson.

Epsilon Alumni Directorum

Connecticut Alumni

Connecticut Alumni Chapter got off to a great start this fraternal year with a wonderful dinner meeting that was held at the Macaroni Grill in West Hartford. Our fraters looked forward to this year's programs with great anticipation. December's dinner meeting found us at Cugino's Restaurant in Newington which provided to be an excellent venue for our holiday gathering. A Valentine's Day brunch was held in February at Dakota's Restaurant in Avon and everyone indulged in a *'hearty'* buffet (pun intended). One of the highlights of the fraternal year is always our evening of dinner and theater. On April 15th (after all of our taxes were paid) we stopped at the First & Last Tavern for some of their famous pizza and then we were off to the Bushnell for a performance of "SPAMALOT". Our annual final banquet of the season was again held in June at the Indian Hill Country Club and 50 Year pins were awarded to several Fraters.

Fraternally,

Harvey Seltzer

Connecticut Alumni Directorum

Officers: Harvey Seltzer, Directorum; Stan Labinger, Sub-Directorum; Burton Miller, Excheque; Norman Fleishman, Signare; Sheldon Karasik, Bellarum

Tau Chapter

The successful fraternal year of the Tau chapter began in September when we held a welcome back party for Massachusetts College of Pharmacy and Health Sciences students. This success continued over to the activities fair at MCPHS where our table was crowded with students trying to win beta fish and learn about our fraternity. For community service during the first semester, we offered a self-defense class taught by one of the MCPHS staff members, participated in Ink Bank (where old ink cartridges are collected and recycled), collected and donated Yoplait lids to help fight breast cancer, held a blood drive through Red Cross at our school and participated in World Aids Day by manning a table in the school's atrium. However, our most successful event was the 3rd Annual Chili Cook-off where we were able to showcase at least a dozen chili cookers and corn bread bakers. MCPHS students voted to choose the winner; and this year it was our faculty advisor, Kathy Keough. Through the sale of IPEP books and numerous other fundraisers, such as a Yankee candle sale to friends and family, as well as weekly participation in our school's phone-a-thon for the Annual Gift, we increased our account to a respectable amount. Finding out about the merge of the Tau chapter and Boston alumni was one of the highlights of the first semester and we included these fraters in even more activities. First semester concluded with our first rush event which was a luncheon with the fraters of the Tau chapter so we could meet interested students and discuss Alpha Zeta Omega in a comfortable environment.

Fourteen of our chapter's fraters were in attendance at the Winter Convention in Orlando and we had an amazing time. Our second and third rush events were incredibly successful; one being a crafts night and the other a potluck dinner and trip to a club. These events brought about the initiation of five amazing girls who successfully completed our pledging process. Throughout the second semester, we held another Yankee Candle fundraiser and our second successful faculty/staff luncheon this year, which we coupled with a bake sale to raise money for the American Cancer Society. We held a movie night and Coldstone night for MCPHS students this spring that were both well attended. We closed out the year with a Tau chapter dinner which was held on the Spirit of Boston, a harbor cruise ship, and included great food and dancing. We are looking forward to summer convention and our next year in Alpha Zeta Omega!

Fraternally,

Kristen Lanigan

Tau Directorum, 2007-08

Detroit Alumni

Greetings to all members, spouses, and significant others of AZO Pharmaceutical Fraternity. We wish you all peace, friendship, and brotherly love.

The Detroit Alumni Chapter of AZO wishes all success at the national convention and hopes that an enjoyable time is had by all.

Our past fraternal year was not as active as I would have liked. We endowed three no interest loans through the Jewish Educational Loan Service to three students at Wayne State University's College of Pharmacy and Allied Health. Our loan fund: AZO/Berkowitz Scholarship Fund is made without any interest to qualified applicants.

Our social calendar was opened with a tribute dinner to Frater Nathan Moiseev for his years of dedicated service to the fraternity. We hosted a paid up members dinner at Andiamo Italian Restaurant/Second City. We hosted our annual Hanukkah Party, where members donate new toys to the Children's Leukemia Foundation of Michigan. Many children were made a little happier by the fraternity's contribution. This past spring we attended a Sunday Brunch and a movie.

The Detroit Alumni wishes all an enjoyable and productive convention.

Peace, friendship and brotherly love,

Carl Leibowitz

Detroit Alumni Directorum

Milwaukee Alumni

Milwaukee Alumni Chapter

1st row: Eva Koplin, Jean Levy, Bev Berson, and Herman Langer, P.S.D.
2nd row: Carole Fishman, Lou Koplin, Lil Mazur, Jean Maness, Phyllis Langer, Barbara Altman, and Mel Altman, Excheque
3rd row: Shel Rosen, Jerry Fishman, Bernie Levy, and Shel Berson, P.S.D.

Milwaukee chapter meets regularly at a restaurant in the Milwaukee area. At the meetings, among other things, we plan our annual dinner theater party. We enjoy being in AZO. In July three fraters and their wives are planning to be in Atlantic City for the convention - Mel and Barbara Altman, Lou and Eva Koplin and Shel and Beverly Berson.

We are looking forward to being with old and new friends in Atlantic City.

Fraternally,

Sheldon Berson, P.S.D.

Milwaukee Alumni Directorum

Psi Chapter

We've just completed another year for the record books and now we're one year closer to our goal of becoming pharmacists. I would like to take this opportunity to share with you the experiences our chapter has shared this past spring semester.

We kicked off the semester with a series of community service events to give back to the Palm Beach Community. We participated in the Komen's Breast Cancer Walk in January, the Reach Health Fair in Belle Glade in the early part of March and we are looking forward to the Relay for Life, our American Cancer Society (ACS) project, on June 1st and 2nd. We also had a BBQ at Wal-Mart, where we sold hot dogs, snacks, and drinks to help raise even more money for ACS; and we plan to donate that money during our participation in the Relay for Life.

Our social events consisted of a Super Bowl potluck at fraters Angeliza and Czarina house, the Hatsume Festival Japanese Spring Festival, and a Toga Party at frater Race Land's house.

To end the semester we had our first end-of-the-year banquet for Psi Chapter. The banquet was sponsored by CVS pharmacy, food from Olive Garden was served to fraters and their guests. At the banquet, outstanding fraters were recognized for their participation in events and funny awards were given out to those fraters that make our organization so diverse.

Although one more year is complete and some stress might be relieved, we still have our eye on the prize for graduation. I speak as a whole, when I say that we are excited to start our next year and initiate new fraters and future life-long friends. I hope to see everyone in Atlantic City this summer.

Pfbl,

Race Land, Jr.

Psi Chapter Directorum

Beta Chapter

Beta Chapter has been active this year, fraternally and scholastically. The chapter is comprised of 12 fraters. Some of the fraters are seniors and will be graduating. We've been active on campus trying to attract pledges for next year.

The chapter started off the year with a fundraiser: taking credit card applications for students. We earned almost $400.00 with this fundraiser. The chapter has not been able to participate more actively with supreme and supreme projects due to our low membership, but that will be changing.

We are making plans to meet with Philadelphia Alumni and with the recent Beta graduates in the fall. We will be strengthening our relationship with the alumni and with Supreme over the year. We have previously held annual graduate meetings with the Beta grads. We wish to expand that this year with the Philadelphia Alumni meetings.

The fraters at Beta look forward to being in Atlantic City and meeting more fraters and learn more about the fraternity.

Fraternally,

Ed Mangino

Convention Collague

Jay L. Pollock
Supreme Undergraduate 2007 Recipient

An annual award presented to an Undergraduate Frater in recognition of his/her achievements in scholarship, leadership, extracurricular affairs and service to the fraternity.

Frater Andrea Pallotta

RECIPIENT OF THE 2007 JAY L. POLLOCK UNDERGRADUATE AWARD

Andrea Pallotta, a native of Richfield, Ohio, currently attends the University of Toledo as a fourth year PharmD candidate. As a first generation college student, she works diligently in all of her classes while making great memories both in and outside the college. As current Directorum of the Sigma Chapter, Andrea has her hands full of AZO activities, community service, and growing friendships. Her greatest memories of the fraternity include the annual Halloween Party, making over twenty new friends with the hopeful pledges each fall semester, volunteering alongside her fellow fraters, the semi-annual National Conventions, and the annual Dead Man's end of the year banquet. Recently, Andrea appeared in the October issue of Pharmacy Times magazine as a Feature Focus for her reception of the ReSPY Award due to her involvement in AZO and the College of Pharmacy and for her volunteerism throughout the city of Toledo.

Because of her compassion for volunteerism, Andrea serves as a Peer Facilitator for the Service Learning Community in a freshman dormitory and guides a group of students to Josina Lott Residential and Community Services, a home for mild to moderately mentally handicapped adults, to play Bingo, attend dances at holiday times, and to visit with the residents. Andrea has attended two Alternative Spring Break trips, one to Heifer Ranch, an educational organization that fights world hunger, in Arkansas, and the other in Bay St. Louis, Mississippi as part of the hurricane relief effort. This year Andrea plans to trek to Berea, Kentucky to rebuild homes in the hollers of Appalachia. Andrea recently had the honor of being the first University of Toledo student to receive the Charles J. Ping Student Service Award through Ohio Campus Compact.

Andrea thanks all of her fellow fraters for all of the memories, friendships, and Undergraduate Award nomination. She also thanks her family and boy friend Josh for their continual support of her as she pursues her dream of becoming a pharmacist.

Jay L. Pollock
Supreme Undergraduate 2007 Recipient

An annual award presented to an Undergraduate Frater in recognition of his/her achievements in scholarship, leadership, extracurricular affairs and service to the fraternity.

Frater Matthew Gimbar

RECIPIENT OF THE 2007 JAY L. POLLOCK UNDERGRADUATE AWARD

Frater Matthew Gimbar was born and raised in Nazareth, Pennsylvania, living with his parents and younger brother Doug. Throughout elementary and high school Matt excelled both academically and in multiple team sports. He thrived as part of a team in baseball, football, and basketball. During his later years of high school he developed an interest in pharmacy and visited several universities. Finally, he decided to pursue his college career at Rutgers, The State University of New Jersey.

Matt did not know a soul when he stepped onto campus his freshman year. One of his first college memories is meeting now Frater Michael Sopko and going to the Alpha Zeta Omega house to find out more about the fraternity (and also being introduced to the wonderful world of beer pong). It was then that Matt met some of his future brothers. Throughout his college career AZO has been an important part of his life. He has served on pledge committee for three semesters and was pledgemaster in the fall of 2004, where he was responsible for bringing 13 new brothers into our fraternity. He later served as Epsilon undergraduate Sub-Directorum and Supreme Undergraduate Representative. Currently he is the Epsilon undergraduate Directorum and the Supreme Newspaper Cup chairman. Not only has Matt played an active role in his fraternity, he has also been involved in many other school activities. He was president of the Class of 2007 for three years and served as the pharmacy school's representative to the Rutgers University Senate for a year. He also is a member of the Phi Lamda Sigma pharmacy leadership society and the Rho Chi Honor Society.

During this last year of pharmacy school, Matt has been exposed to pharmacists in many different roles. After enjoying the ASHP Midyear Convention in southern California, he is currently considering pursuing a pharmacy practice residency next year. As he finishes school he is excited to move on to the next chapter in his life with fond memories of his college career and his time spent as an undergraduate with Alpha Zeta Omega. Although his college days are winding down, AZO will always be a part of his life. As a constant reminder of what the fraternity means to him he has the letters AZO tattooed on his back.

William E. Woods Washington Representative, N.A.R.D.; Associate General Counsel, N.A.R.D.

The 2007 Alpha Zeta Omega Achievement Medalist

This award, a bronze plaque, shall be presented to a dignitary of the profession of pharmacy. It shall be granted for long, meritorious and dignified service to the profession.

Michael R. Cohen, R.Ph., MS, Sc.D.

Michael Cohen, RPh, MS, ScD, is president of *The Institute for Safe Medication Practices*, a non-profit healthcare organization that specializes in understanding the causes of medication errors and providing error-reduction strategies to the healthcare community, policy makers, and the public. He is editor of the textbook, Medication Errors (2007 American Pharmaceutical Association) and serves as co-editor of the *ISMP Medication Safety Alert!* publications that reach over 2 million health professionals and consumers in the US, as well as regulatory authorities and others in over 30 foreign countries. Dr. Cohen is a member of the Sentinel Event Advisory Group for the Joint Commission and served recently as a member of the Committee on Identifying and Preventing Medication Errors, Institute of Medicine. He also served recently as a member of the National Quality Forum's Voluntary Consensus Standards Maintenance Committee (CSMC) on Safe Practices and the FDA Drug Safety and Risk Management Committee. Over the past 5 years, Cohen has consistently been recognized by Modern Healthcare as one of the top 100 "Most Powerful People in Healthcare" and in 2005 he was awarded MacArthur Fellowship by the John D. and Catherine T. MacArthur Foundation.

Michael Cohen received a B.S. (1968) and an M.S. (1984) from Temple University. He also received honorary degrees in science from the University of the Sciences of Philadelphia (2001), in science from Long Island University (2005), and in public service from the University of Maryland (2005). Cohen has held pharmacy leadership positions at Temple University Hospital (1970-83) and Quakertown Community Hospital (1983-92). Since 1976, he has taught at the Temple University School of Pharmacy, where he is now an adjunct associate professor.

Michael Cohen was born in Philadelpha, PA. He now lives in Warminster, PA with his wife Hedy, who is an RN and currently a Ph.D. student at the University of the Sciences in Philadelpha. Michael has a sister Rosanne Burnstein and two married daughters, Jennifer and Rachel.

In final, AZO is extremely proud to add Michael's illustrious name to our list of AZO Achievement Medalists.

Dress – Head table formal;
for all others suit or jacket & tie
for men, (formal optional)
Cocktail attire for women

CITY OF
ATLANTIC CITY

OFFICE OF THE MAYOR
ROBERT W. LEVY, SR.

July 2007

Dear Conferees:

It is my pleasure to welcome you to Atlantic City and to the Alpha Zeta Omega Pharmaceutical Fraternity 87th National Convention.

While the work you accomplish during your event is important, I hope that you will also take time to experience the fine hospitality, great attractions, dining, shopping and entertainment options that make Atlantic City truly "Always Turned On." From the Boardwalk to the bay, Atlantic City continues to expand and change. I invite you to explore and discover all that is new.

I hope the natural beauty of our beaches and the Atlantic Ocean set an appropriate backdrop for both your business and leisure activities.

Please accept my best wishes for an enjoyable visit and a successful conference.

Sincerely,

Robert W. Levy Sr.

Mayor Robert W. Levy, Sr.

RWL/ps

Award Winning News...

Directorum's Cup for Chapter Proficiency

The most important annual award in all of AZO...

This award is presented at a luncheon during the National Convention to the Directorums of those chapters who showed the greatest amount of activity and progress during the year. These awards are not competitive in that more than one is often given.

Directorum Cups were presented to New York Alumni, Epsilon, Sigma and Tau Chapters last July 2006 in Boston.

Andrea Pallotta and Jared Stroud from Sigma Chapter, recipients of the Directorum's Cup for chapter proficiency are congratulated by Supreme Directorum Vince Paul and Brian Pinto

Supreme Directorum Vince Paul and Brian Pinto present Sarah Ducat from Tau Chapter the Directorum's Cup for chapter proficiency.

Supreme Directorum Vince Paul and Brian Pinto present Eli Gorelik of New York Alumni the Directorum's Cup.

The Sidney R. Rome Memorial Newspaper Award

AZO's Superior Chapter Publications

The Sidney R. Rome Newspaper Cup was presented to New York Alumni, Epsilon, and Tau chapters last July, 2006.

Marian and Ken Pasetsky of NY Alumni & Leonardo Ortega of Epsilon receive the Newspaper Cup Award.

Matthew Gimbar, Supreme Directorum Vince Paul, John Anciano and Brian Pinto from Epsilon receiving the Newspaper Cup Award.

For late breaking AZO alumni and chapter news... log on to

2007
Henry G. Seidman Award

MPhA
MARYLAND PHARMACISTS ASSOCIATION

Recipient of the Maryland Pharmacists Association Award

The Maryland Pharmacists Association's Pharmacist of the Year Award was renamed the Henry G. Seidman Award in 1980. It was posthumously awarded to Henry G. Seidman, an AZO past Supreme Directorum and member of the Maryland Pharmacists Association who passed away suddenly. Henry G. Seidman served as the second AZO Supreme Directorum from Kappa from 1953 – 1954. This award was created to honor the major impact on Maryland pharmacy by Henry G. Seidman and is presented for outstanding service by a Maryland pharmacist to the pharmacy profession during either the past year or over a period of years. This year's award was presented to Paul R. Holly, P.S.D., Kappa Chapter at the Annual Maryland Pharmacists Association Convention on June 18, 2007. Paul served as President of the Maryland Pharmacists Association from 2002 – 2003 and as the AZO Supreme Directorum from 2003 – 2004.

Frater Paul R. Holly, P.S.D.

These were merciful Fraters whose righteous deeds have not been forgotten.
They are transmitted to their descendants; a good inheritance for their posterity.
This posterity shall endure forever and their glory will not be blotted out, they live buried in peace;
their names live on for all generations. Alpha Zeta Omega will declare their wisdom and recite praise.

"May the Father of peace send peace to all who mourn
and comfort all who are bereaved"

Amen.

Paul R. Holly, P.S.D.

Supreme Chaplain and Supreme Good and Welfare

In Memoriam
Herman M. Vogin P.S.D., Beta

March 9, 1931- April 27, 2007
1998 - 1999 Supreme Directorum

Herman joined AZO in 1950 by joining Beta Chapter at the then Philadelphia College of Pharmacy & Science. He joined the Philadelphia Alumni Chapter upon graduation in 1953. His hobby of photography and anything electronic made him a natural to serve Philadelphia Alumni Chapter as perpetual newspaper editor and historian. Later Herman served as its Directorum for many years. After operating a pharmacy for over 20 years he took a masters degree in teaching and went on to teaching Industrial Arts in various high schools in the Philadelphia school system.

When he retired from teaching in 1996, he repaired TV sets and tutored in Math and Science. Herman owned a boat and was very gracious in having his friends and their families join with his family on the water. Picnics, splashing in their back-yard pool and barbeques that were held at the Vogin home became a summertime ritual and he loved to barbeque for all.

If we had to describe Herman it would be to say that Herman was a quiet man. He was a listener and a doer. If he disagreed with you, he did not shout or raise his voice, but would listen to all sides of an argument then do what had to be done. His legacy is one of kindness, understanding and willingness to help to get the job done. He epitomizes our AZO spirit credo of "Peace, Friendship and Brotherly Love".

Herman leaves behind his wife of 52 years, Joan, P.N.P., his three sons, Dr. Gary, Alan and his wife Carla, and Craig and his wife Denise. Brother of Joyce Rosenberg and the late Dr. Eugene Vogin. He is remembered as a blessing by his grandchildren, Simi, Maya, and the late Joshua.

Contributions in his memory may be made to: Congregation Ner Zedek-Ezrath Israel-Beth Uzel, 7520 Bustleton Avenue, Philadelphia, PA 19152 or The Jewish Theological Seminary-Mid Atlantic Region, 261 Old York Road, Suite 617, Jenkintown, PA 19046

AZO has lost a quiet and loyal Frater.

Rest in peace, Herman.

CONGRATULATIONS
MICHAEL COHEN

Walgreens Pharmacists—**making a difference** in the lives of our patients **for over 100 years**.

Walgreens is an equal opportunity employer and welcomes individuals of diverse talents and backgrounds. Walgreens promotes and supports a drug-free and smoke-free workplace. © 2007 Walgreen Co. All rights reserved.

Walgreens, the nation's premier pharmacy retailer, is honored to sponsor the American Association of College of Pharmacy.

It starts out with the idea that helping people would be a great career. You go to school, study, and maybe support a family in between - all in pursuit of the dream to help people live healthier lives.

For over 100 years, we've built Walgreens around the same idea that the dream of counseling patients and changing lives can become reality.

As a pharmacy and healthcare company founded and run by pharmacists, our top priority is about improving quality of life through personalized, professional patient care. This 'pharmacy-first' philosophy offers tremendous opportunities to work directly with your patients and enrich your career.

To learn more about how Walgreens can help you grow your career, simply log on to www.walgreens.jobs. Or call toll-free 1-866-967-5492.
