ALPHA ZETA OMEGA
PHARMACEUTICAL FRATERNITY

CURE PANCREATIC CANCER

• LUSTGARTEN FOUNDATION •

In loving memory of those fraters and friends we have lost.

ABOUT THE LUSTGARTEN FOUNDATION

The Lustgarten Foundation is America's largest private foundation dedicated to funding pancreatic cancer research. Based in Bethpage, New York, the Foundation supports research to find a cure for pancreatic cancer, facilitates dialogue within the medical and scientific community, and educates the public about the disease through awareness campaigns and fundraising events. Since its inception, the Lustgarten Foundation has directed \$132 million to research and assembled the best scientific minds with the hope that one day, a cure can be found. Thanks to private funding, 100 percent of every dollar donated to the Foundation goes directly to pancreatic cancer research.

For more information, please visit www.lustgarten.org.

Research developments include:

- Clinical trials to develop blood tests and new imaging strategies to detect pancreatic cancer
- Advancements in early detection and screening techniques
- Studies focused on immunotherapy, personalized medicine, and new drugs/drug combinations to identify more effective treatment options

The AZOAN is the official publication of Alpha Zeta Omega Pharmaceutical Fraternity, which is incorporated under the laws of the Commonwealth of Pennsylvania. The Publication is circulated throughout the United States, Canada, Dominican Republic and Israel. Advertising is accepted subject to Chapter 11 Section 150 of the Constitution of the Alpha Zeta Omega Pharmaceutical Fraternity, Inc. Signed contributions express the viewpoint of the writers and must not necessarily be construed as that of the Fraternity.

All material contained herein has been written expressly for the AZOAN and reproduction of said material in total or in part is hereby forbidden without the express permission of the Editor.

From the desk of the editor...

It is almost impossible to put into words the excitement I felt when Supreme Directorum Katelyn Parsons called me to discuss being this year's AZOan Editor. Although I was happy for the appointment, I cannot say it was not daunting, as we would be preparing for

the Fraternity's Centennial Celebration. Nevertheless, I was looking forward to the challenge and grateful to be in this position.

I joined AZO seven years ago in the spring of 2012. At the time I did not have much planned for the next day let alone my experience within this Fraternity. As soon as I met the fraters of the Tau chapter I felt at home while at school—something when I first started college I never thought possible. I knew I wanted to experience as much as I could as an undergraduate in the Tau Chapter and started by getting involved by serving as the chapter's Recording Signare, Bellarum, and eventually Directorum. I am so glad I got to experience AZO as an undergraduate as that made going through pharmacy school fun and not just bearable.

I went to my first convention (and my first inter-chapter event) in January 2013, and I have not looked back since. It was amazing to meet people for the first time and to have them embrace you like an old friend. I certainly did not expect to make lifelong friendships when I went to that first rush event seven years ago, but I am grateful for everyone I have met since that moment.

After graduation it is not as easy to stay involved, at least without effort. Without seeing each other everyday in school or living together as roommates it can feel like the tight-knit relationships are slipping away. Once we start reaching out and talking again everything goes back to normal—that is the true bond of these relationships no matter the distance or time apart. Once we get back together we are laughing and having fun like nothing has changed. You get out of this Fraternity what you put into it, and that certainly continues on after becoming an Alumni frater. Along with the friendships and laughter, fellow alumni are always there to help “advance our profession.” With the help of fellow fraters to put together my CV and resume I have a pharmacy job I love and could not be happier.

There is also so much reward by serving the Fraternity both as an undergraduate and an alumnus. In the beginning it can be hard to understand why people are putting so much of their time and effort into this organization for what seems like nothing in return. But as you start to put in the work

you see that it is not for nothing. The growth and expansion of AZO and seeing how it affects the lives of our fellow fraters is more of a reward than any monetary value. To see how far we have come in the past 100 years is an accomplishment that does not come by being complacent. The hard work of the officers to bring this Fraternity to where it is today is something I can imagine the founding fathers would be very proud of.

I was not able to make it to many interchapter events this year, but I was glad to be in the position to read all about them in the reports for this publication. I was glad to get my “fix” of Peace, Friendship, and Brotherly Love at the winter convention in Orlando, at the same hotel as my very first convention. It brought back so many good memories, and I was able to make even more that I will treasure.

I have not done this alone and have many fraters and friends to thank for their tremendous help to make this publication a success. Firstly to our publisher Don Reisfeld for all of his dedication to formatting and putting the actual AZOan together as well as his patience as I hunted down reports. A huge shout out to Nicole Hodgdon for showing me the ropes and giving a great outline of what is needed and when; I cannot thank you enough. I also want to thank Supreme Directorum Parsons, Tiffany Janajreh, Lois Seidenman P.N.P., Jeanne-Marie Holly P.N.P., and Bruce Strell P.S.D. for taking the time out of their very busy schedules to proof-read and help with the editing process. And finally to Adam Schweitzer for using his expertise to help with all of my questions and dealing with my stress during the last few weeks of this process to get everything done on time.

While going over the past AZOans in preparation, I fell more in love with this Fraternity and all that it has to offer. As we start the year for our centennial celebration I would like to offer this opportunity for everyone to look back and think about why they joined and how we have grown. I have learned so much from this Fraternity and the fraters that have led me. I can only hope to pass on what I have learned and continue to teach to those who follow me.

I am excited to see everyone at the Centennial Celebration in Philadelphia. I cannot wait to see what the next 100 years bring!

Fraternally,

Alyssa Schweitzer

Supreme Directorum Report

I have said it many times, but it has been the greatest honor to serve as Supreme Directorum this year. I sincerely thank the fraternity at large for trusting me to lead AZO, in the year leading up to our 100th anniversary. Although this year has been a whirlwind, I have had so much fun visiting chapters and seeing how strong the PF&BL is throughout the fraternity.

I knew at the beginning of the year it would be hard to make it to every chapter, especially with planning a wedding in the fall, but I tried my hardest! In the fall, I visited Lambda Nu for their interchapter event, skyped into Theta Gamma's pledge meeting, and attended Nu's first continuing education program. This spring, I was fortunate to attend Delta Tau's formal, Tau's Third Weekend and Last Call event, Sigma's Bowl-a-Thon, Nu's Alumni BBQ, Epsilon's formal, Rho Iota's family dinner, and Kappa's service event. I am still hoping to make it to Puerto Rico the end of May to see Pi Rho Fraters and our newly inducted Psi Fraters. I apologize to the chapters I did not make it to, but visiting chapters was by far one of the highlights of my year. I love seeing all of the amazing things the chapters are doing, and I thank all of the chapters for their hospitality.

I started the year off with several goals, all of which we were able to accomplish to some extent, and a few which we are still working on or can be continued in future years. My first goal was organization, for the Supreme board to become more effective with our work processes and better utilize technology to our advantage. We accomplished this through creation of Google roster spreadsheets for each undergraduate chapter, which were shared with the chapter officers as a means for the chapters and Supreme to more easily communicate roster updates for active Fraters, new Fraters, and graduating Fraters. Overall the rosters seemed to work very well and will be slightly tweaked moving forward. We created an active Frater email list, so we can easily disseminate information to all active Fraters vs. those registered on our website. This was a bit of a learning process to figure out the logistics and work through some kinks, but the list is now functional and should be useful as a means for communication in the future. The E-board members have been working on developing and compiling guidance documents for various Supreme positions, and next year's board will pick up where we left off to finish this task to hopefully ease the transition into each Supreme officer position.

My second goal was effective execution amongst my board and appointed officers. I started the year with communications early on to set clear expectations and

for each of the officers to establish their goals for the year. With periodic check-ins and monthly executive board calls, the officers overall did a great job in accomplishing their plans for the year, some of which will continue into next year. Details can be found in each officer's report, but I am extremely proud of my executive board and appointed officers; they have all worked extremely hard to push the fraternity forward, and I am thankful to have had a great team with whom to work. My third goal was to enhance the excitement within the fraternity as we approach our 100-year anniversary. We accomplished this with creation of the first Undergraduate Representative Blog on the AZO website, highlighting all of their travels throughout the year (which were many!). We put out video updates from Supreme through Facebook to highlight our efforts. A big part of accomplishing this goal was further development of our continuing education program, as we offered four two-credit CE webinar programs for active Fraters. I personally saw this create excitement amongst alumni Fraters, some of whom were inactive but decided to return to AZO largely due to this incentive. I strongly believe keeping our alumni involved and engaged is crucial to our success as a fraternity with the wealth of knowledge, skills, and network they bring to our organization, which can further enhance the development of our undergraduates. I am tremendously grateful for the efforts of my Sub-Directorums Tiffany Janajreh and Jonathan McLachlan in leading the Retention Committee and our continuing education efforts, respectively, which have been the driving forces behind our success with retention on both chapter and national levels. Although we didn't quite reach 1000 active Fraters, we are getting close, and several chapters are moving toward becoming mixed chapters or strengthening their alumni component! I personally could feel the excitement with each chapter visit, and I'm sure this will only get stronger in our 100th year.

In closing, thank you to the P.S.D.s for their guidance during the year, whenever I needed anything. Special thanks to Izzat Janajreh, P.S.D. for being my Deputy and the P.S.D. I turned to most throughout the year; your support and advice was incredibly helpful, and I sincerely appreciate all you do for AZO. I would like to wish my deepest congratulations to Frater Tiffany Janajreh who will soon take the reins. I cannot wait to see what Tiffany and her board will accomplish; I know she will shine as Supreme Directorum with her passion for AZO, her organizational skills, and tremendous work ethic. I hope to see you all at convention in Philly, for what is sure to be a one-of-a-kind convention, filled with celebrations of our history in the birthplace of AZO. PF&BL and thanks for an awesome year!

Faternally

Katelyn Parsons, PharmD, BCA
Supreme Directorum 2018-2019

Supreme National Fundraising Project LUSTGARTEN FOUNDATION

The Lustgarten Foundation is near and dear to our hearts as Fraters of AZO. With so many of our friends, family and Fraters affected by pancreatic cancer, Alpha Zeta Omega once again selected the Lustgarten Foundation as the national charity this fraternal year. The Lustgarten Foundation uses 100% of proceeds toward research related to the diagnosis, treatment, cure and prevention of pancreatic cancer. Through walks and several other creative fundraising events, our chapters were able to fundraise and create awareness for this foundation and pancreatic cancer in general. Thank you to all of the Fraters for their support and hard work to raise money for this great cause! Additional thanks to our Philanthropy Chairs Nicole Silengo and Joanna McCormack for leading our efforts as we worked toward our goal of raising \$10,000 this fraternal year. We are on track to surpass this goal by summer convention, and we hope the future will be brighter for those diagnosed with pancreatic cancer.

Fraternally,

Katelyn Parsons, PharmD, BCACP

National Auxiliary President Report

For those whom I have not yet had the pleasure to meet, my name is Vicki McLachlan, wife of frater Jonathan McLachlan, and I am President of the Alpha Zeta Omega National Auxiliary. The Auxiliary is an organization for the families and friends of fraters. As an organization, we exist to support the fraternity just as

we support our family members and friends who have pledged. Much like the fraternity does, we pay dues and attend meetings where we discuss how best to support the fraternity in ways that currently include scholarships and the sponsoring of the food and drink in the hospitality suite at both summer and winter conventions. But even more than that, we connect with one another as friends, celebrate each other's joys and successes, and stand by one another during hard times.

This year has been a slow but steady march into a new era for the Auxiliary. As younger members of the fraternity start families of their own, so the demographic of the Auxiliary has changed. This has brought exciting new energy into the Auxiliary, and we are in an active process of seeking and implementing new ways to stay in touch, share information, raise funds to support the fraternity, and meet the needs of all of our members. I have been speaking with Supreme Directorum Katelyn Parsons and First Sub-Directorum Tiffany Janajreh about expanding our presence at Convention, and I cannot wait for all in attendance to see what we've come up with. The ultimate goal is for the Auxiliary to be more accessible to fraters, and to create a welcoming, supportive, and fun atmosphere in everything we do.

Since this last Winter Convention, I am thrilled at how many of you have reached out to me to let me know your spouses, partners, children, and close supportive friends have a desire to join the Auxiliary. We are going to have a lot of new faces to welcome at our meeting in Philadelphia, and I cannot think of a better way to celebrate the AZO Centennial than by making new friends while joyfully reuniting with the others. If you have a friend or family member who will be joining us at the big party in Philly, it is never too late to join! Joining is as simple as paying dues and coming to hang out at our meetings. Absolutely everyone is welcome!

The Convention anticipation is building strong in our household, as I'm sure it is in yours, and it promises to be a celebration worthy of the history of Alpha Zeta Omega. I hope to see you all in Philadelphia!

Respectfully and warmly submitted,

Vicki McLachlan

2015-17	Lois J. Seidenman, Eta
2017-18	Jeanne-Marie S. Holly, Direct Member

*Denotes deceased

Supreme 1st Sub-Director Report

Thank you once again to the Fraternity for electing me to the position of Supreme 1st Sub-Director. It has been a pleasure having the opportunity to serve AZO. This year has been marked by an extraordinary level of activity and we've seen many accomplishments on both chapter and national levels.

I have spent much of my time as 1st Sub-Director focusing on the

Retention Committee and working with a committee tasked to update our Director's Cup point system. Both of these tasks kept me quite busy throughout the year.

The Retention Committee held four conference calls with representatives from each undergraduate chapter in attendance to implement recommendations developed over the previous year. We started our year with the simple goal to attempt to retain at least 50% of the previous year's graduating class, and I am happy to report that we saw great success with this goal. I enjoyed working with the representatives from each chapter and was happy to help promote alumni growth. It will be important for future administrations to maintain this goal of retention and to continue the efforts of expanding our chapters' alumni components. More information regarding the Retention Committee's efforts and achievements can be found in my Retention Committee report.

My second focus was working with a committee to dissect the Director's Cup point system, and with the assistance of committee members, Diane Gomes, P.S.D., Supreme Deputy Izzat Janajreh, P.S.D., Supreme Signare Nicole Saracino, Supreme Director of Development Natalie Underdown, and Supreme Associate Undergraduate Representative Dan Haning, we spent the latter part of the fraternal year working towards creating recommendations of updating the current point system to reflect the fraternity's needs. Through a series of conference calls, we assessed the current Director's Cup requirements, recommended changes, and re-evaluated the point system. We have developed the framework for a point system that we feel is better defined and more encouraging for chapters to achieve the Director's Cup. A final report was created which I look forward to presenting at our upcoming National Convention.

As the fraternal year comes to an end, I am working on my third and final task, chairing the Awards Committee. As Chairman, I served as Mistress of Ceremonies for the Jay L. Pollock Supreme Undergraduate Award at the winter convention in Orlando, Florida and I would like to congratulate this year's recipient, Natalie Underdown. At this time I am in the process of collecting and compiling the needed documents from our 2020 Undergraduate Award nominees so that the Awards Committee can begin their selection process for the upcoming year. I want to take this time to congratulate each and every nominee, as being nominated by your chapter for this award is a great accomplishment in itself.

It has been a privilege to work with Director Parsons and the rest of the Supreme Board on what should be considered a remarkable year for our fraternity. Katelyn and I have had the opportunity to work closely on various projects this year,

and I would like to thank her for all of her support and congratulate her on a job well done. I look forward to continuing to serve the fraternity and I hope to see everyone as we celebrate the fraternity's centennial in Philadelphia!

PF&BL,

Tiffany Janajreh

Supreme 1st Sub-Director

Retention Committee Report

I would like to begin by thanking Director Parsons for appointing me to chair the Retention Committee. This committee was added to the bylaws at this past National Convention and is made up of representatives from each chapter along with the AZO Direct Chair. The committee met four times via phone conference this past year and worked to achieve what we believed to be obtainable goals.

During the first quarter of the year, the primary focus was the retention of the graduating class of 2018. We set out with the goal for each chapter to strive to retain at least 50% of the previously active fraters from the graduating class. Chapters with established alumni components shared examples of letters and e-mails used to ask for dues and we developed a blanket letter/email for chapters to use in the future that they can customize to their needs. Because of the hard work and efforts of those chapter representatives on this committee, almost all of the chapters achieved the goal of at least 50% retention of their 2018 graduating class. Very big congratulations to the Tau Chapter that retained 100% of their graduating class and the Rho Chapter that saw their active alumni component grow by 228%!

Our secondary goal was to have our newer chapters begin to focus on developing an alumni component for their first group of alumni. Chapters with newer alumni were paired with established mixed chapters to allow for collaboration and mentoring. Again, thanks to the efforts of this committee, I am happy to report that Rho Iota has their first active alumni members and Lambda Nu is in the beginning stages of an official alumni component. A very big congratulations goes to the Pi Rho and Delta Tau Chapters that both officially began alumni components to their chapters and elected alumni officers into positions.

Between our efforts in focusing on the retention of our newest graduated fraters and with the start of our new CE Webinar program being accessible only to active fraters, we can boast that the fraternity has the largest number of active fraters that it has had in recent years. By increasing retention at the chapter level first, we are well on our way of working towards this committee's long-term focus of increasing the engagement of all fraters nationally.

In closing, I am thankful to Supreme Director Parsons for allowing me to oversee this committee and its efforts this year. I look forward to continue watching this fraternity grow in the upcoming fraternal year.

PF&BL,

Tiffany Janajreh

Retention Committee Chairperson

Supreme 2nd Sub-Directorum Report

This year, my primary focus was facilitating our continuing education programs in my dual role as Director of Continuing Education. You will see a summary of the year's efforts in my report. In addition to those activities, I supported Supreme Excheque Adam Schweitzer, as he got accustomed to his role, one he has handled extremely well. Unfortunately, I was unable to make it to any of the

myriad of interchapter events that went on this year due to a combination of weddings (including my own!), funerals, a new position at work, and, well, life. I appreciate chapter invitations, and look forward to the events planned this upcoming year. I would like to thank the fraternity for electing me to this office. I hope everyone has a fantastic time in Philadelphia as we commemorate our centennial.

Congratulations to Directorum Parsons and the E-Board, and best wishes to the incoming board!

Faternally,

Jonathan McLachlan

Supreme 2nd Sub-Directorum

Director of Continuing Education

One of Supreme Directorum Parsons' primary initiatives for the year was starting up our online continuing education offerings. Her goal was to offer eight credits of live online CE to fraters in addition to the CE offered at conventions and getting there was my primary focus for the year. By the time we get to Philadelphia, we will have met that goal! We offered programs on a broad variety of topics, including medical marijuana, pharmacist prescribing of oral contraceptives, schizophrenia, hepatitis C and hyperlipidemia.

I could not have done this alone. The support and guidance of P.S.D.'s Lou Flacks, Vince Paul, Izzy Janajreh, and Supreme Directorum Parsons was instrumental in getting these programs going and the logistics where we needed them to be. The impressive expertise of our speakers Drs. Rikin and Reema Mehta, Tan Carlin, Mehul Patel, and Genevieve Hale made our programs both meaningful and enjoyable. Much appreciation goes to the New York Alumni chapter and AZO Philadelphia for their support in accrediting our programs.

In addition to the efforts on the Supreme level, we also supported chapters that wished to use our platform to host programs of their own. It is my hope that over the coming years, these efforts continue to blossom as part of our multi-faceted approach to improving our retention rates.

It has been a privilege to serve in this role, and I continue to look forward to what's next. Congratulations to Supreme Directorum Parsons and the rest of the elected and appointed officers on a great year, and best wishes to the incoming Directorum and board!

Faternally submitted,

Jonathan McLachlan

Director of Continuing Education

Supreme Excheque Report

I am happy to report that my first term as Supreme Excheque has been a major success. I have learned so much more about the Fraternity than I thought I would have, and we have not had any financial hiccups to date. I could not have had a successful year without the assistance of Jon McLachlan and Izzat Janajreh, P.S.D. Their guidance on the processes and tasks has been tremendous help. I

would like to thank P.S.D.s Izzy, John Anciano, and Supreme Directorum Katelyn Parsons for auditing the reports to ensure complete accuracy. The chapter excheques have also been outstanding with their collaboration with Supreme. I am very pleased to see such a bright young group hold these important positions. Overall, they did a great job submitting monthly reports and annual tax filings on time.

At the time of this report being written, 181 fraters have been initiated this fraternal year. I hope you all have successful careers within AZO, and continue to grow by experiencing new things within the Fraternity. This April marks 10 years of activity in the Fraternity for me, and I cannot be happier of the decision I made to join. These past years have been a privilege, and I am very thankful for the faith the Fraternity has put in me holding this position. Unfortunately, I was only able to participate in one chapter event this year due to work and other schedule conflicts, but nevertheless I appreciate all invitations and I hope to be able to attend more in the coming years. Congratulations to the rest of the E-Board and Supreme Officers on a successful year led by Directorum Parsons. I look forward to working with the next E-Board and chapter excheques under the direction of Tiffany Janajreh.

Faternally,

Adam Schweitzer

Supreme Excheque

Supreme Historian Report

Thank you to Supreme Directorum Parsons for appointing me to this position. It was a pleasure to serve as Supreme Historian throughout this memorable year. I truly enjoyed working with the chapter Historians, and brothers from various committees, to gather and share with the fraternity all the all the magical moments of PF&BL captured on camera. Being Historian allowed me to be further immersed in AZO love by following closely all chapter events, watching their growth, and collecting precious memories. I hope everyone enjoyed the pictures as much as I loved taking them. I am very excited to see the stories told via next year's Historian!

Faternally,

Sandra E. Rolón

Supreme Historian

Supreme Undergraduate Report

This past fraternal year has been filled with phenomenal adventures, amazing memories, and, as always, Peace, Friendship, and Brotherly Love. We will be forever grateful to have served as your Undergraduate Representatives. Traveling to different chapters and forming relationships that will last a lifetime has definitely been the best part about these positions. The three of us have learned a lot since we were installed and experienced nothing but endless hospitality, friendly fraters, and building bonds that span across great distances.

Bri, Daniel, and I made it our goal to have at least one of us at every single interchapter event to ensure that everyone in attendance was having a great time and to offer guidance if necessary. We owe every chapter in this fraternity an enormous thank you for welcoming us with open hearts and making us feel like we were a part of your family. You could absolutely see all the love and care that was put into every interchapter event.

From exploring the local hotspots to simply staying up talking and

sharing laughter until sunrise, every moment has brought us tremendous joy and will be held close to our hearts. Taking the journey to each chapter has been a unique experience and it was amazing to see what each chapter had in store for us. During each passing event, we were reunited with old friends and caught up on each other's lives as well as met new people and started new friendships. While the end of each event brought a great amount of "PFBL Withdrawals", this only made us more determined to meet again at the next interchapter event to see one another and pick up right where we left off.

While another fraternal year comes to an end, this means another one is about to begin. The three of us hope to stay involved within the fraternity and continue to be a part of your lives. We may no longer hold the titles of Undergraduate Representatives, but we will always be fraters of Alpha Zeta Omega. We hope to see all the friendships continue to blossom and will remember the times we have shared together. It has been a true honor to be your Undergraduate Representatives and we cannot wait to see what the next 100 years hold for this fraternity!

Peace, Friendship and Brotherly Love,

Darius Papulis

Supreme Undergraduate Representative

Daniel Hannig and Brianna Shea

Supreme Undergraduate Associate Reps

Supreme Associate Signare Report

As we close out our first century as a fraternity, I am overwhelmed with pride for the strides all of our Supreme and chapter officers have led. It has been an honor to serve among you, and I would like to extend my gratitude to the fraternity for electing me to this position.

While Supreme Associate Signare has certainly come with its share of time-consuming tasks, being able to release the Apothecaries and work with the executive board has been a labor of love. A huge thank you goes out to all the fraters who spent hours updating their chapter rosters and writing reports. Your dedication and passion transformed the Apothecaries into masterpieces. I want to thank AZO Direct Member Chair Nick Woodard for giving me a crash course in Publisher, Supreme Signare Nicole Saracino for keeping me on a timeline, and Supreme Directorum Katelyn Parsons and Supreme 1st Sub-Directorum Tiffany Janajreh for editing the Apothecaries. I could not have been as successful in this position without all of your contributions.

Congratulations to these and all of our Supreme officers on an extremely progressive year! I can not wait to celebrate all of your accomplishments at the Centennial Convention Celebration this summer in Philadelphia.

Fraternally,

Nicole Hodgdon

Supreme Associate Signare

AZO Direct Report

First, I would like to thank Supreme Directorum Katelyn Parsons for the appointment. It was a great way to stay active and help in expanding the involvement of the AZO Direct Chair! I am happy to report the reactivation of numerous fraters that have not been active for years! It has been a pleasure working on the retention committee for the first time this year where I was able to provide input

and support of our chapters in their efforts to retain Fraters.

Thank you to all of our AZO Direct Fraters as well! I hope you found updates timely and helpful. Additionally, I hope you found value in the dues you paid to compel you to remain active in the future! I welcome anyone still interested in AZO Direct to reach out to me with any questions! I look forward to serving the fraternity in the future, as well as seeing everyone at our centennial convention in Philadelphia this July!

PF&BL,

Nick Woodard

AZO Direct Chairperson

Electronic Communications Report

The fraternal year 2018-2019 has been a great year for added elements to the website. Thank you to Supreme Directorum Katelyn Parsons for pushing us to do more. P.S.D.'s Izzy Janajreh and Harjeet Caberwal have been amazing at posting the updates to the website quicker than the speed of light. Thank you to those who have been contributing to the blog with updates

around the country. Special thanks to Darius Papulis, Daniel Hannig, and Brianna Shea for being pioneers in writing blog posts. We look forward to more contributors in the future. In the upcoming year, my goals are to increase the fraternity's ranking on search engines and visiting the mobile site appeal as more and more people are accessing the internet through their mobile devices. Thank you to the present officers and congratulations to the incoming officers. Happy 100 years AZO! There is so many exciting things to come.

PF&BL,

Tan Carlin
Webmaster

Supreme Chaplain Report

I wish to thank Supreme Directorum Katelyn Parsons for selecting me as the Supreme Chaplain for this past fraternal year. It has been an honor serving the Fraternity in this capacity for the past fourteen years.

As AZO Supreme Chaplain, my responsibilities include opening and closing all meetings of the Supreme Chapter, giving the invocation at Supreme functions, as well as the

somber duty of reporting Fraters who have passed during the fraternal year. You will find the names of these Fraters, as well as Auxiliary members, listed on the Silent Mortar page of this AZOAN. They will appear in the Supreme Memorial Book.

While we do not like to hear of Fraters passing away, communicating this information to the Supreme Directorum and Chaplain will provide the Fraternity an opportunity to recognize and offer our sympathy to their loved ones, and to fellow Fraters. I ask each Chapter keep me informed when they learn of Fraters or Auxiliary members who have passed away by sending me their name, date of death, original chapter and address of spouse and/or family members, if available. If you wish to share memories of a Frater who has passed away during the Fraternal year, please advise me of this prior to the National Convention so that time is allotted during the Harold M. Goldfeder Memorial Service Program.

Fraternally,

Paul R. Holly, P.S.D.
Supreme Chaplain

Supreme Signare Report

As the 2018-2019 fraternal year and my second year as acting Supreme Signare comes to an end; I would like to thank our Supreme Officers and Chapter Directorum's for all their hard work and dedication throughout the year. This year marked my 10th year as an Alpha Zeta Omega Frater and every year that passes, I become increasingly proud of what our organization has accomplished.

Philadelphia is not only where our Fraternity was born, it is the location that I truly fell in love with Alpha Zeta Omega; where I attended my first convention as a frater. As we make our way into the 100-year anniversary as an organization, I am excited to see what the next ten years has in store!

I am saddened that I was not able to attend many inter-chapter events this year, however seeing the updates (including photos) that come through my inbox helped greatly in managing my FOMO (fear of missing out for those of you who do not know the acronym). I know that there will be plenty more amazing events to attend in the coming fraternal year.

I would like to congratulate Supreme Directorum Parsons on a very successful year. I am honored to have been a part of this administration. It has been a pleasure to work alongside such motivated and dedicated fellow officers. I am looking forward to my continued involvement within the Fraternity and to seeing everyone in Philadelphia, the city of PF&BL.

Fraternally,

Nicole Saracino
Supreme Signare

Good & Welfare Report

It has been my privilege to serve as the Good and Welfare chair. Thank you Supreme Directorum Parsons for such a rewarding job filled with lots of memories and exciting moments. This year has definitely connected me more to the fraternity as I was able to celebrate the moments with all of you. From the many weddings celebrations of the beginning of the fraternal year, to the many newly

engaged couples across our chapters, to the special birthday cards I have been able to send, this appointment has been more exciting than I could have imagined. Our social media platforms have allowed us to celebrate the special life events as they unfold. I hope we can always continue to celebrate one another's life events as they connect us, even though we may be far apart. I want to congratulate everyone on 100 years of AZO and can not wait to see what this fraternity has in store for us. Hope to see everyone in Philadelphia!

Fraternally,

Ashley Simpson
Good and Welfare

Financial Affairs Report

Thank you to Supreme Directorum Katelyn Parsons on appointing me to this position as well as the Audit and Budgeting Chairperson appointments for another fraternal year. It is an honor to be able to continue to serve the fraternity in any capacity on the local and Supreme levels.

This past year, I was able to obtain a new subordinate EIN number for one of our chapters and did a quick review of retention rates. For the past several years, we have been staying in the black due to conscientious planning/spending, fundraising for the AZOan and a large influx of new members. A much better retention rate in lifetime membership would greatly help the organization be more financially sound for years to come.

I have not received the 2019 Subordinate EIN Information Update Request Form from the IRS yet... but as soon as I receive the document in the mail, I will be reaching out to chapters to see if their addresses, financial contacts or other information changed so I will be reported to keep us compliant with the federal government guidelines. Thank you to Supreme Exchequer Adam Schweitzer and all the Chapter Exchequers for filing their respective EZ-990 postcards during this past fraternal year.

I am currently looking to see if our current 501(c)(10) IRC designation still correctly applies to our organization due to recent expenditure types hitting our ledger and what a potential change may mean in regards to our investments. As a reminder, all recent, current and future Supreme Exchequers need to ensure we are retaining our physical financial records for the amount of years that are required by the IRS. This includes reimbursement requests, invoices, payments and financial statements from each of the most recent five financial years (currently Fraternal Years 2013-2014 to 2017-2018) just in case a documentation audit is requested. If this ever occurs, they will probably focus on some of our larger convention expenses and maybe one or two of the larger reimbursements to our own members. As always, I have also been assisting and continue to look forward to help in auditing, budgeting and answering financial inquiries for the Supreme Chapter and its subordinate chapters.

Fraternally submitted,

John Anciano, P.S.D.

Director of Financial Affairs

Supreme Bellarum Report

I would like to thank the fraternity for electing me as Supreme Bellarum. I am truly honored to have held the position and assisted the fraternity in preparation for our Centennial celebration. I would like to take this opportunity to thank my fellow Supreme officers for their guidance and advice in executing my duties, and I am excited to use this wisdom to aid our fraters in their endeavors.

Although I am saddened the fraternal year is ending, I cannot wait to see what we have in store for this upcoming year. I hope everyone has had a fantastic fraternal year and look forward to celebrating our Centennial in Philadelphia!

Fraternally

Jason Marchal

Supreme Bellarum

Recruitment Committee Report

The Recruitment Committee is tasked with developing resources for our chapters as they enrich the recruitment experience. The goals that the committee set for this year were to lay some foundational documentation out that future committees could use to develop more resources for the various undergraduate chapters. We conducted inter-

views with the current Pledgemasters of each chapter to gather basic information regarding recruitment and asked for pain points that they could use help resolve. It is our vision that this information can be used to create new services and solutions by future committees.

Additionally, the committee recognized it could help chapters coordinate the collection of fraters who were interested in being interviewed by potential fraters during the pledging process, which would remove the need for individual chapters to solicit the information individually and would reduce the number of times fraters would need to respond. This centralized process of collecting information for interviews should be ready for use during the next fraternal year and will be repeated by future Recruitment Committees.

I would like to recognize Alexandra Ciani and Angelisse J. Rivera González for their participation on the Recruitment Committee this year. It was through their hard work and diligence that we were able to complete our goals for the year. Thank you both very much for everything.

It is our belief that through the pursuit of these endeavors, making recruitment information accessible for those who seek it, these resources can become foundational for continued success of Alpha Zeta Omega for many years to come.

Fraternally,

Vishal Amin

Recruitment Committee Chairman

Advocacy Committee Report

It has been a pleasure to serve as co-chairs for the supreme advocacy committee. We are grateful to fraters from many chapters who joined us in our efforts to help promote the profession of pharmacy and draw attention to the importance of patient education and understanding in tackling our nation's growing opioid epidemic. We hope the initiatives this year carry into next year and AZO will continue to increase its professional and legislative presence. This year, the advocacy committee was divided into two subsets: the Opioid Epidemic Task Force led by Karli and General Pharmacy Advocacy led by Mallory. In the first half of the year, we dedicated time to skyping into chapter meetings to discuss the

importance of advocacy in our profession and explain the goals of our committee to interested fraters.

The Opioid Task Force met quarterly to discuss various initiatives and ideas for chapters to implement in their own communities. We would like to thank the following fraters for their hard work and dedication as members of the opioid task force: Addison Sember, (Theta Gamma), Brianna Shea (Tau), Nicholas DeFilippo (Nu), Ryan Wallace (Delta Tau), Daniel Hannig (Theta Gamma), Nelson Rodriguez (Lambda Nu), Ashley Simpson and Supreme Signare Nicole Saracino for their help and oversight. During National Pharmacist Month in October, we led a social media campaign to honor companies in the pharmaceutical industry doing their part to help raise awareness and increase understanding in light of the opioid epidemic. Throughout the year, chapter liaisons were able to reach out for assistance and advice regarding events they were planning in their communities. As a result, several events throughout the country took place through the work of this committee, and it has been rewarding to see the progress made throughout the year. Addison Sember of Theta Gamma, worked to hold an opioid education event in her community and several fraters from Tau were able to attend their annual opioid research symposium.

The committee subset dedicated to pharmacy advocacy met throughout the year to discuss different aspects of the policy process. We would like to thank the following committee fraters: Jarred Drown (Delta Tau), Wyatt Merrill (Nu), Amanda Bain (Tau), Brianna Shea (Tau) and Guarav Pathak (Epsilon). The goal of this committee was to provide fraters with a better explanation of the policy process so as an organization it can gain greater appreciation for the legislation that continues to allow pharmacy to progress and thrive. We decided to focus our efforts for the end of the year on two important pieces of legislation that will impact the profession of pharmacy and hopefully translate into positive health outcomes: H.R1614: The John S McCain Opioid Addiction Prevention Act, which aims to implement prescriptive restrictions and greater provider education to help decrease the circulation of opioids; as well as H.R 803: Improving Transparency and

Accuracy in Medicare Spending Part D Spending Act (DIR Fees), which serves to eliminate excess fees applied to successful claims. We look forward to finding new ways to engage chapters in this important legislation.

Faternally

*Karli Boniello and
Mallory Norman*

Co-Advocacy Chairpersons

Directors of Professional Mentorship

We would both like to thank Supreme Directorum Parsons for her appointment to head the Professional Mentorship Committee this year. We sought out to up the stakes of the committee and build more ties between the undergraduate and alumni members of our organization. We started out by creating a survey to gauge the interest of what undergraduate members would like to find out more about as well as if they had a particular field of pharmacy they would like to pursue at this time. We also polled current alumni members with what they specialized in as well as what method of contact would be best for them. After collecting all the results we matched mentors and mentees with the hopes that these would be

connections that would last for many years.

We were happy to also partner with Alex Serafino and Nikole Shpifogel, the chairs of the Professional Affairs/Career Resources Committee, to plan for a convention activity that would encompass both groups. We came up with the idea of a roundtable for multiple undergraduate members to have the opportunity to interview alumni members to discover how they got to their current position and other topics. This was a great chance for both groups to partner together to create a really meaningful activity to once again bridge the gap between alumni and undergraduate fraters.

We hope to wrap up the year with a survey on how the mentorship process served our fraters and look for ways for it to be improved for next year. We would like to thank everyone for their support this year and to wish the best of luck to our new supreme board next year!

Faternally submitted,

*Emily Wilson and
Bradford Perry*

Co-Directors of Professional Mentorship

Supreme Deputy Report

I would like to begin by thanking Supreme Directorum Parsons for my appointment as Supreme Deputy. It has been an absolute honor serving with the entire board, both elected and appointed, under her guidance. The responsibilities of the office of the Supreme Deputy have changed over the years, and I certainly enjoyed being an advisor to our fellow Fraters this past year. I have been

able to watch this administration grow to new heights in the way they communicate with one another and our fraternity as a whole. They were able to tackle their goal of increasing retention in many ways and should be commended for it.

It would be my advice and recommendation for future officers to consider how we position ourselves in our presentation to colleges and universities. School administrations have made it much more difficult for fraternities to be viable at their schools and universities. Creating such obstacles have hurt our growth potential over the years, and we certainly have to think of new ways to overcome these hurdles as they continue to grow and be strictly enforced.

While I am not going to be holding this position for the upcoming year, I am always available to answer any questions you may have. In closing, I would like to congratulate the outgoing and incoming executive boards. I look forward to watching the fraternity continue to grow and blossom under your capable hands.

Fraternally,

Izzat Janajreh, P.S.D.

Supreme Deputy

Archive Chair Report

This term has been a true delight of reliving memories of AZO throughout the years. While it certainly has presented its challenges in the 'technological' areas, there is no lack of content! I look forward to interviewing many more fraters in the months to come! I would like to thank my committee for their dedicated help. I would like to thank Tiffany Janajreh

for all her work collecting more photos and other AZO related documents. As always, if you have any photos, convention items and memorabilia, please reach out to me!

PF&BL,

Christopher Yanoschak

Archive Chairperson

Special Fundraising Projects

This has been one great year for fundraising! We started off very well at winter convention raising money through the jewelry raffle and a new fundraiser, raffling off a free convention fee for this summer centennial convention. Both raffles were a big success! Throughout the year, the fundraising chairs have been working to brainstorm new ways to fundraise and some great ideas for summer convention. There will be t-shirts and also pins available and they are looking awesome! In getting ready for summer convention, we are again selling 50/50 raffle tickets but this time with a twist! There is a tiered selling incentive for tickets sold before convention, hoping to increase pre-convention sales. Also getting the word out about AZOan ad sales. We are very excited about how this year went and looking forward to summer convention!

Thank you everyone for your participation this year in our fundraising efforts!

Fraternally,

Director of Mailing and Corporate Alliance Reports

I am pleased to report we have succeeded in meeting our financial goals and are strengthening relationships with major corporations in the pharmaceutical industry.

I am pleased to report this office has mailed the AZOAN, newsletters, regional and convention information and fraternal communication in a timely and economical fashion. The

mailing permit has been renewed and we are under budget.

Regional and National Convention Report

The 2019 National Convention will be held at the Hilton Philadelphia at Penn's Landing in Philadelphia, Pennsylvania from July 24-28, 2019. Proposed Regional Convention to be held January 2-5, 2020 in Dallas/Fort Worth, Texas and the proposed National Convention to be held July 22-26, 2020 in Oranjestad, Aruba.

Respectfully submitted,

Lou Flacks, P.S.D.

Director of Mailing, Corporate Alliance and Convention Chairman

Directors of Development Report

This past year as Directors of Development has been a wonderful experience to work alongside Supreme. Throughout the year we have worked on projects including developing the beginnings of an online platform for chapter organization, discussed ways to ease the opening and reactivation of new AZO chapters, as well as work extensively to create proposed updates to the fraternity constitution and changes within the Directorum Cup Points requirements. We have thoroughly enjoyed this experience and look forward to all that will come with another great year in this fraternity!

Fraternally

Natalie Underdown and Harjeet Caberwal, P.S.D.

Directors of Development Co-Chairs

Special Actions Committee

The Special Actions Committee was not drawn into action this year so there is nothing to report. I would however, like to thank Supreme Directorum Katelyn Parsons for appointing me to chair this committee. I always appreciate the opportunity to serve.

As always, happy to serve.

Shari Fine, P.S.D.

Special Actions Chairperson

Director of Fraternal Affairs

It is the duty of Director of Fraternal Affairs to act as a source of fraternal tradition, knowledge, and protocol. In this regard, information and advice has been given to Supreme Directorum Parsons, 1st Sub-Directorum Janajreh, 2nd Sub-Directorum McLachlan, Signare Saracino, Associate Signare Hodgdon, Excheque Schweitzer, Undergraduate Representative

Papulis, AZOan Editor Schweitzer, and the Winter and National Convention Committees. My thanks to Supreme Directorum Parsons for her trust in appointing me to this position.

Fraternally,

Bruce Strell, P.S.D.

Director of Fraternal Affairs

Directors of Philanthropy

As another successful fraternal year comes to a close, we would like to commend all the chapters on their hard work and thank Supreme Directorum Katelyn Parsons for appointing us to such a rewarding position. We have enjoyed working together and collaborating with everyone. We are proud of the charitable efforts put forth by the fraters.

To be able to have the opportunity to connect and learn with the chapters to enhance fundraising for the Lustgarten Foundation, a charity very near and dear to this organization's heart, has been an invaluable experience. Such creative and impressive events have been put on by the chapters and we were able to reach our goal of \$10,000! We are looking forward to seeing our organization

surpass this amount in subsequent years.

We are excited to announce for our Centennial Year that we have organized a Philadelphia Constitutional Walking Tour to benefit the Lustgarten Foundation. A special thank you to Karli Boniello, Vince Paul, P.S.D., Tiffany and Izzy Janajreh, P.S.D. for your guidance and support with this event. We hope for 100% participation from the fraters attending convention to walk for a cause while learning about our country's history. We look forward to continuing to foster our relationship with this foundation and continue to strengthen philanthropic efforts as a Fraternity. Thank you for a wonderful year!

Fraternally

Philanthropy Chairpersons

Newspaper Cup Report

Thank you Supreme Directorum Parsons for the appointment. I am pleased to announce this years cup recipients: Delta Tau, Epsilon, Lambda Nu, Nu, Pi Rho, Psi, Rho, Rho Iota, Sigma, Tau and Theta Gamma. It is not easy balancing AZO deadlines with school and work so thank you for your participation and responsiveness. I was impressed by the quality and creativity in each newsletter. I enjoyed reading the successful events and impacts on local communities. I was happy to share them with the fraternity and recognize the hard work put in throughout the year. Congratulations to the Supreme board and the chapters on a successful year. I hope to see everyone for the Centennial in July!

Fraternally,

Kelly Garrity

Sidney R. Rome Newspaper Cup Chairperson

Directorum's Cup Chapter Proficiency

This award is presented at a luncheon during the National Convention to the Directorums of those chapters who showed the greatest amount of activity and progress during the year.

These awards are not competitive and more than one can be given out.

2019 Directorum's Cup recipients:

Delta Tau, Epsilon, Lambda Nu, New York Alumni, Nu, Rho, Sigma, Tau, and Theta Gamma

Directorum's Cup and Rome Newspaper Cup:
Nicholas Raschilla, Delta Tau

Directorum's Cup and Rome Newspaper Cup:
Chris Yanoschak, Epsilon

Directorum's Cup and Rome Newspaper Cup:
Nelson Rodriguez, Lambda Nu

Directorum's Cup and Rome Newspaper Cup:
Joanna McCormack, Tau

Rome Newspaper & Directorum's Cup:
Austin Wagner, Rho

Directorum's Cup:
Mallory Norman, Nu

Rome Newspaper Cup:
Harold Seldon, New York Alumni

Directorum's Cup:
John Chin, P.S.D., NY Alumni

Ephraim G. Sless Scholarship

I would thank Supreme Directorum Parsons for appointing me to this position. It was a pleasure to have the opportunity to review applications submitted and accomplishments of undergraduates. Congratulations to those being awarded scholarships this year; and to those not receiving scholarships I hope you continue to take advantage of the opportunities our fraternity has to offer.

PF&BL,

Todd Thompson

Ephraim G. Sless Scholarship Chairperson

Supreme Legal Advisor Report

As Legal Advisor, I am pleased to report no activity this year. Having no activity is the best report. I have not been asked to intervene or help any Chapter, which is a good sign since the news of Fraternity activity on many campuses has been negative. Thank you Katelyn for appointing me, and to the Board and Chapters for doing excellent fraternal work.

Fraternally yours,

Joy Pollock, Esq., P.N.P.

Legal Advisor

Chapter Reports

New York Alumni

The fraternal year started at the convention in Charlotte, North Carolina, where the Chapter received a Directorum's Cup for the prior year. Directorum Jay Rothbaum was not able to attend, Sub-Directorum John Chin, P.S.D. accepted it on his behalf from Supreme Directorum Lauren Judson.

In August, we held a planning meeting at the home of Agnes and Steve Brooks, P.S.D. A schedule of dates and activities was worked out and we had a good old-fashioned deli lunch. Our September meeting was in Stony Point, New York at Pasta Cucina, which is one of Jill and Jay Rothbaum's favorites. Before our October meeting, a group from New York Alumni participated in the Walk For A Cure for Pancreatic Cancer Lustgarten Fund sponsored by Epsilon. The Walk was in memory of Frater Jeff Levy, Gloria Flacks' brother.

Later in the day, we met in Nyack, New York for a meeting. There was a street fair which was interesting, but caused great traffic congestion. A moment of silent prayer in memory of Frater Al Greenberg was requested.

Since our October meeting, we learned of the passing of Frater Marvin Caligor. For our meeting in November, we met in Blauvelt, New York where Frater Paul Kaufman, a noted movie/film historian and critic screened a movie, and held a discussion. We then traveled a few minutes to Orangeburg, New York to the Il Fresco Restaurant.

Our holiday party followed our meeting in December, in White Plains, New York at the Buon Amici Restaurant.

The chapter had a good size contingent at the convention in Orlando in January. When we returned to New York, we held a Board meeting at the home of Gloria and Lou Flacks, P.S.D. In February, we had a meeting in Nyack at La Fontana Restaurant. We got news that Frater Herb Pobiner was recovering from his recent illness. Esther Ingber was recuperating from knee and back surgery. Lou Flacks, P.S.D. announced that AZO/NY was sponsoring a continuing education program being held by the Westchester Rockland Society of Pharmacists. Birthdays for Steve Brooks, Jerry Zive, John Chin, Joyce Hoffman-Selden and Esther Ingber were celebrated.

We gathered in March at Pizzeria Bel Giardino in Cranford, New Jersey. Shari Fine, P.S.D. attended. Lou Flacks, P.S.D. reported convention reservations could now be made on the website. We celebrated the birthdays of Agnes Brooks, P.N.P., Frater Bernie and Ellen Wally and the Rothbaum's, anniversary. We were pleased to learn Frater Herb Pobiner became a great-grandfather. Get well wishes were sent to Harriet Luftig after her knee surgery and to Frater Jorge

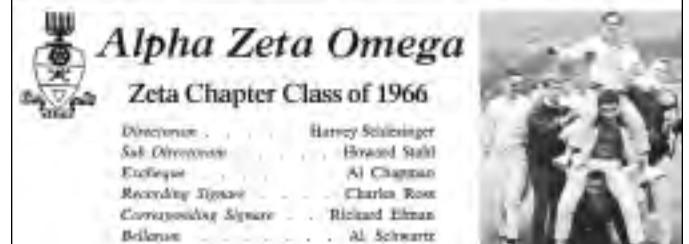

Ocasio after hand surgery. We were sad to learn the passing of Sy Salob's wife, Ruth.

In April, we had lunch at the New Leaf, a restaurant in Fort Tryon Park, in upper Manhattan. After lunch we took a tour of the Cloisters Museum, located in the park. We celebrated the birthdays of Frater Herb Pobiner, Gloria Flacks and Billie Lederman-Bauman. We celebrated the anniversary of Linda and Paul Kaufman. The chapter sponsored two webinars for Supreme and Epsilon. We made a contribution to the Metropolitan Museum of Art. Activities for May and June will be reported at the convention.

Respectfully submitted,

Harold Selden

New York Alumni Signare

Sigma Chapter

As my time as Directorum winds down, I am very proud of Sigma this year. I truly believe Sigma has grown more in numbers and as a family, and I am grateful to witness this transformation. I want to thank my board and chairs for making this year one to remember.

This year my goal was to be more active with the Toledo community and with the University of Toledo. With Katie Michalak leading the way, we were able to help out at the Ronald McDonald house and participate in Food for Thought, which is an organization that makes and distributes food to the city of Toledo. Within the University, we were able to help out with their annual Relay for Life, Big Event, and Campus Heat. Within the College of Pharmacy, we were able to participate in their 1st Day of Service and host our annual Faculty Auction. Led by Mikayla Panton and Jenna Michniewicz, we were able to raise over \$3000 to help by medication for service trips led by our advisor.

This year I wanted to expand on our philanthropy for Lustgarten. In addition to the chapter's annual donation, we ran a bake sale to raise more money. Paige Newnan planned the sale, and with the help of Fraters, we were able to double our contribution to Lustgarten from last year. We grew professionally as a Fraternity. Most of the Fraters entered the professional division this year, and our Professionalism Chair, Hannah Hixenbaugh was a great mentor to help with the adjustment. She planned for AZO to be represented at a Girl Power Day event which taught girls the field of pharmacy.

We expanded our events this year, as well as expanding in numbers. Ryan Sears led the way in the fall activating five new members to Sigma. Paige Newman, in the spring, followed suit by activating eight new members. I am excited for them to learn everything about AZO, and meet other Chapters. Seeing how eager they are, with most of them taking positions for next year, makes Sigma's future bright.

Sigma did a lot more traveling this year. We were able to attend Theta Gamma's first interchapter event, their social/pledging event at a pumpkin match, their induction of new Fraters, and spontaneous visits of going to Findlay or them coming to Toledo. With Sigma alumni, I was able to attend the convention in Orlando. Some fraters were even able to go to Rhomageddon this year. I want to thank all the other chapters who have made Sigma feel welcomed and feel a part of their chapter. I want to thank Sigma alumni for all their support this year. I am grateful how active they all are with planning a successful annual Bowl-a-thon, and for being

mentors to all the undergrads.

I cannot express how grateful I am for my board this year. With our Excheque, Bianka Ahmetspahic restructuring our budget and managing everyone's requests throughout the year. For our Sub-Directorum, Laura Heckenmueller for doing last minute tasks and being a great support system this year. Special thanks to Jenna Michniewicz for showing me the ropes on how to be a great Directorum, Rachel Larmer for sticking with me through every meeting, and Hunter Burtt for keeping the peace. I am going to miss being Directorum and all its duties besides picking Frater of the Week because every Frater in Sigma is Frater of the Week to me. Congratulations to the new E-board, I cannot wait for Sigma's future and to watch us grow even more. Hope to see you all in Philly!

PF&BL,

Lauren Neese
Sigma Directorum

Connecticut Alumni

Connecticut Alumni chapter got off to a great start this fraternal year in September with a wonderful dinner meeting, which was held at Portofino's Restaurant in Kensington. The turnout included fraters from Nu Chapter at U-Conn. Their spirit and enthusiasm for AZO is always a positive sign for the future of our organization. January's meeting found us at Bertucci's Restaurant in Newington, which satisfied our desire for Italian food along with the guaranteed camaraderie of fraters and auxiliary members. March found us back at Portofino's Restaurant in Kensington. Our last dinner meeting of the season will be held in May at a destination to be determined; however, I am sure that it will be well-attended and a grand time will be held by all. Our officers for the year are Harvey Seltzer, Directorum; Norman Fleishman, Sub-Directorum/Signare; Burton Miller, Excheque; and Fred London, Bellarum.

Fraternally,

Harvey Seltzer
Connecticut Alumni Directorum

Pi Rho Chapter

With the culmination of this fraternal year, I can say that Pi Rho has been busy. There is no question that 2017-2018 was a hectic year because of Hurricane Maria but it also made us stronger and more conscious as to the important things for the current fraternal year. Showing other pharmacy students how AZO joined nationally after such tragedy made our chapter grow, and we will never have enough words to thank you guys for that. This year was, without a doubt, pivotal for Pi Rho. Our chapter has grown over the past years, and this year we inducted 23 new members, each one of them contribute something great to our chapter. Also, this year we have connected tremendously with alumni and have their collaboration at our activities.

I will not lie, it has been a challenge, the curriculums have changed and there is much academic pressure, planning and organizing activities sometimes seemed hectic but I can finally say that we did it and we enjoyed it! There is something after each activity is done that truly puts a smile on my face that says, *"this is what it's all about, strangers coming together as family and growing together as colleagues."* No matter how stressed I am, I always feel happy after an AZO activity and I could not have done it if it were not for my great team.

To sum up this semester, we joined the non-profit organization Together Puerto Rico to get involved with the still present aftermath caused by Hurricane Maria. This organization provides basic needs and supplies for those families that are still affected by the Island's water service by handing out water filters and rechargeable solar lights. With this activity, we enhanced our community outreach, impacting over 50 families. For this, I would love to thank Jennifer Crowley and Marielys Villa as they made everything possible. We completed food-drives for the homeless and even helped to clean their wounds, expanding the role of a pharmacist student in our community. We exercised our bodies by participating in the Susan G. Komen 5K race for the cure. As for professionalism, we had a conference about how to apply to residencies and how to interview for such, we also participated on immunization activities to promote the pharmacist role on vaccinations. Fundraising is difficult at our college because students have different schedules and sometimes they are not as effective as we have hoped. But this year we decided to sell some chocolates at Valentines for Lustgarten

Foundation for Pancreatic Cancer and with that sale we were able to donate more for philanthropy. We designed a shirt to celebrate the 100 years of AZO, but it is still in process and we hope to have them for convention. In addition to being busy on campus, Pi Rho has had representation at other chapters' events. It is great the PY4 fraters can travel to the US and visit chapters over there, it truly makes me proud to be part of this fraternity.

I want to thank my chapter for helping me during my first time as Directorum of an organization. I have grown, I have learned a lot about myself and what it takes to *"be in charge"*, and I will never forget this year. I want to congratulate Angelisse 'Angie' Rivera for being the deserving frater for the Simon I. Sless Award, you truly earned it. Thanks for always being there for me up, spirited and ready to work toward the greatness of our chapter. I want to thank our Sub-Directorum Carlos Mercado, your willingness, your attitude and your desire to participate are what make you great, you have worked hard for our chapter and I am very thankful. Pi Rho also helped induct the Psi chapter in Puerto Rico, we are very excited that the fraternity keeps growing, and growing. Another congratulations to Jen Crowley for being the deserving recipient of the Ephraim G. Sless Award. Finally, thanks to each and every one of you that have reached out to me to participate, help, attend to our meet and eats, Frat-Talks and social activities, you have made this worth it!

Always remember to BE AMAZING TODAY, BE AZO!

PF&BL,

Viviana Rullan

Pi Rho Directorum

Phi Rho working together with Puerto Rico.

Susan G. Komen 5K Race for the Cure

Eta Chapter

Eta is still alive and limping along. We continue to meet every other month and have a Sunday brunch with our Auxiliary twice a year. Other than the routine aches and pains that come with aging, we are doing alright.

I must sadly report that we lost two more fraters this year. Frater Stanley Zeidman, a 65+ year member and Frater Don Rosensweet, a 60+ year member of AZO. Both were very active until they died. They will be deeply missed.

The good news (I know that I have been saying this for five years, but it is closer to happening this coming Fraternal year) is that I met with the Dean of the College of Pharmacy and will be meeting with the new Dean of Students to see if Eta can be re-chartered on campus. This has been a very frustrating process and I hope we can finally get it off the ground.

Eta is rich in AZO's 100 year history. We were chartered by Supreme Directorum Effie Sless 95 years ago in May 1924. Our Auxiliary was chartered when AZO "Woman's" Auxiliary was established in 1940 by Supreme and Syd Scott, P.N.P.

Eta has led Supreme with four Supreme Directorums; Hyman Leichtman, Mike Seidenman, Woody Weinstein and Alan Grimsky (Rho and Eta). The National Auxiliary was led by five National Presidents from Eta; Rose Hillman, Bertha Charkins, Annette Weinstein, Lois Seidenman and Rhoda Grimsky (Rho and Eta). We were honored to have three AZO Meritorious Award recipients; Sidney Hillman, Mike Seidenman, P.S.D. and Woody Weinstein, P.S.D., as well as two AZO Achievement Medal Recipients; Dr. Joseph (Dean Joe) Kowalewski and Lois Seidenman, P.N.P.

It is our hope that Eta's service to AZO will continue with the re-chartering of an undergraduate chapter at the University of Cincinnati, James L. Winkle College of Pharmacy.

Faternally,

Mike Seidenman, P.S.D.
Eta Alumni Directorum

Psi Chapter

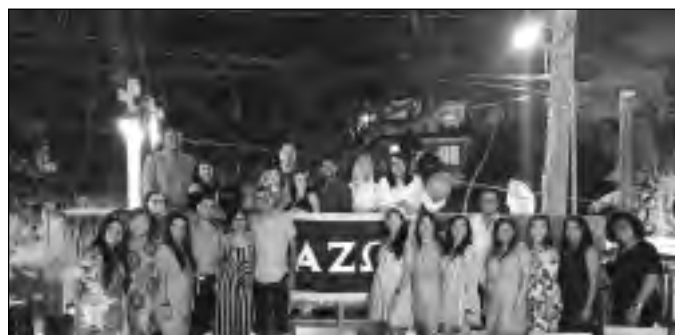

Psi chapter had an exciting fraternal year, during the fall semester we expanded our Palm Beach chapter to San Juan Puerto Rico and inducted a total of 55 new fraters between both NSU campuses. Both Palm Beach and San Juan brothers have been busy. In October Psi teamed up with Habitat for Humanity to help build homes for South Florida Families and helped Scuba Dogs in Puerto Rico clean up their beautiful beaches. Fraters worked hard to raise a total of \$350 dollars for the Lustgarten Foundation. Palm Beach fraters put together several fundraisers including our Prescription for Love Valentine Candy Grams in February, Polo & Avengers themed T-Shirts, and several jeans day. Most excitingly our "Pie in the Eye" fundraiser was extremely popular and even more fun. Four board members put their faces on the line and campaigned against each other: Tiffany Bradberry, Jeronimo Mejia, Louis Schobel and Luis Urbina. Ultimately Luis Urbina raised the most funds and was chosen to get a face full of Mango Key Lime Pie. Our San Juan fraters did a great job fundraising as well, in February they sold chocolate strawberries and brownies, had jeans days as well, and a very popular Taco Thursday. In addition, our fraters in the south took some time from their busy study schedules to visit a local nursing home to play BINGO and donated much needed supplies. Both our campuses hosted Residency Workshops/Panels to help guide those fraters and classmates on how to score a residency post graduation. Psi wrapped up the year with two banquets for each of the campuses spending time and reminiscing the past year and passed the proverbial torch to the new board members that are excited for the new year to come.

Faternally,

Ashley Garofolo

Psi Directorum

Nu Chapter

Back left to right: Andrew Jackson, Caitlee Callahan, Wyatt Merrill, Jonah Haber, Jung Seo (Pledgemaster Elect) *Front:* Sam Breaz, Ally Marron (Philanthropy Chair), Abby Hamadani (Corresponding Signare), Sarah Meade, Bailey Conkey, Hannah McCarthy and Rayanne Aidibe

Nu chapter has enjoyed an amazing fraternal year full of growth, development, and of course brotherly love. I would like to truly thank my wonderful executive board for all of their hard work this year: Lejla Zukovic (Sub-Directorum), Alexis Redfield (Pledgemaster), Julia Adams (Recording Signare), Abby Hamadani (Corresponding Signare), Nancy Scarpelli (Excheque), Wilmer Gonzalez (Bellarum), Tina Kettavong (Historian), my chairs Raquel Mateus (professional), Ally Marron (philanthropy), Mackenzie Collins (fundraising), Andre Wang (social), Undergraduate Representative Darius Papulis, and Pharmacy Student Government Representative James Lu. It has been a privilege and pleasure to work with such dedicated, compassionate people and I truly cannot thank you all enough.

Fall semester marks our only semester of pledging and Pledgemaster Alexis Redfield and her committee: Jung Seo, Sarah Meade, Jordan Vidal, and Arian Novaj, worked tirelessly throughout the summer and early fall to ensure a successful and enriching pledging program. Alexis did a wonderful job incorporating our fraternity's values into every pledge meeting and event, inspiring closeness and love for AZO in all our new fraters. I would like to congratulate the 23 fraters inducted into Nu chapter this past fall: Sydney Westervelt, Benson Shi, Clifford Chen, Adara Bochanis, Dylan Decandia, Jack Mountain, Ami Shah, Jon Lu, Pat Doherty, Cora Altomari, Tori Fal, Melanie Groff, Alexander Laird, Jackson Yost, Nina Mirontchik, Mackenzie Cullen, Matt Arellano, Rayanne Aidibe, Natalie Garcia, Joe Filippone, Etem Selmani, Cindy Li, and Sreya Julakanti. This class holds so much potential and we look forward to seeing how they will contribute to the growth and future success of our chapter.

Philanthropy chair, Frater Ally Marron, inspired our chapter from the start with her love of philanthropy and giving to others. Her passion towards helping led her to exceed expectations in her work towards our chapter's donations and support to the Lustgarten Foundation, our team for HuskyTHON, as well as multiple community service events. For Lustgarten, she planned multiple fundraisers held at the School of Pharmacy as well as other locations throughout campus, sell-

ing baked goods, our infamous paninis, as well as rubber bracelets in support of pancreatic cancer awareness. In addition, she ensured our chapter continue with the schoolwide Coins for Cause fundraiser which raised a total of \$1150.66 for Lustgarten! Ally led the biggest HuskyTHON team in our chapter's history, raising \$5454. Ally emphasized the importance of community service and led multiple events throughout our community including soup kitchen and nursing homes visits, as well as canned goods collection events.

Frater Raquel Mateus, our professional chair and directorum-elect for next year, went above and beyond this year, implementing several new professional events for our chapter, as well as improving efforts to assist our pre-pharmacy students applying to pharmacy school. With over 30 younger fraters applying to pharmacy school this year, Raquel had a lot on her plate, but did an amazing job helping each applicant, holding multiple mock interview events, resume workshops, and question and answer sessions. Congratulations to our fraters who were accepted into the UConn School of Pharmacy Class of 2023! Raquel provided several opportunities to our older fraters to receive service learning hours required for entry into P4 year. She teamed up with philanthropy chair Frater Ally Marron to plan an educational event promoting Lustgarten and pancreatic cancer awareness. She also led a blood pressure screening event partnering with UConn's Kidney Disease and Prevention organization, featuring alumni Chris Flores and Frater Nicole Del Toro from the Pi Rho chapter as preceptors.

This year, we established a new e-board position to better integrate AZO within our pharmacy school and Frater James Lu worked hard to ensure our chapter was caught up in our school's efforts as first Pharmacy Student Government representative. With James' help, we were able to place second in our schoolwide Ignite contest to raise money for UConn School of Pharmacy. Our bellarum Wilmer Gonzalez organized an amazing formal at Holiday Inn Norwich, as well as lead our bylaws committee to update bylaws this year. Our chapter voted on several changes to our bylaws including a limit to the size of future pledge classes, a better delegation of alumni retention, as well as the addition of two new positions: Pharmacy Student Government representative and Recruitment chair. Frater Darius Papulis, Undergraduate Representative, Nu chapter and Supreme did a great job emphasizing the importance of interchapter bonding. I want to thank sub-directorum Lejla Zukovic for her hard work enforcing our chapter's updated hours' requirements and helping jumpstart our chapter's first alumni mentorship program to help integrate our new influx of active alumni.

As the fraternal year sadly comes to an end, I want to thank everyone for such a fantastic year. It has been incredible to watch our chapter grow and evolve over the past five years, and I know our chapter's future leaders will continue to do amazing work. I am incredibly grateful for all that AZO has done for me in my college career and the wonderful memories and friendships I have made. It has been an honor and privilege to serve as Nu Directorum and I wish the best of luck and success to our future officers!

PF&BL,

Mallory Norman

Nu Chapter Directorum

Rho Iota Chapter

Supreme Directorum Parsons' visit to Rho Iota chapter.

This year has been an unstoppable whirlwind of excitement and achievement for Rho Iota! In the fall, we initiated an amazing pledge class, most of whom have already assumed leadership positions within the chapter. The end of fall semester brought the end of past Directorum Casey Bates' year and a half long term, and ushered me into this position.

Our philanthropy team, led by Bellarum Jenn Wong, has been on fire this year. We introduced several new fundraisers, including dress-down meetings for Lustgarten, donuts and laptop sleeves to support the Tuberous Sclerosis Alliance, and also participated in university-wide events RhodyThon and Relay for Life.

We have formulated quite a few new positions as well, including Chapter Event Chair and Creative Chair. Our Chapter Event Chair, Adam Scala, has spearheaded monthly family dinners, which are informal chapter meetings with different themes to encourage us all to take a much-needed breather from the fast-paced workload of pharmacy school and enjoy some PF&BL. Rho Iota was honored to have Supreme Directorum Katelyn Parsons come and join us for mac and cheese night. Katelyn rallied us all to register for convention, and it can be assured that we will be representing well at AZO's centennial celebration!

Additionally, we hosted our first formal this April at Blu on the Water! It was a tremendous success thanks to the efforts of our past Excheque, Moyra Aziz, who took on an amazing leadership role in coordinating the night.

At the end of March, we elected a new E-Board, save for the positions of Directorum and Bellarum. Jimmy Haggerty will be turning over Sub-D to Melissa Gianetti, Moyra Aziz will be passing the torch as Excheque over to Kaitlin Leduc, and Lauren Lee will leave the legacy of Signare in the hands of Jennifer Le. All of our past E-Board members of the last year have paved the way for a smooth transition for our newly elected members, and I have no doubt in my mind that all of the hard work, solid effort, passion, and commitment instilled in Rho Iota chapter by the members who are leaving positions will be continued beautifully by these new leaders.

My chapter is definitely tired of hearing me say this, but I cannot stress enough how proud I am of the leaps and bounds Rho Iota has made this past school year. Our chapter involve-

ment has reached an all-time high, and the passion for AZO is burning brighter in Rhode Island than ever before. A big thank you to everyone who has made this year so stunningly successful, and I very much look forward to continuing to lead our family throughout next year!

Peace Friendship and Brotherly Love,

Michaela Pacheco

Rho Iota Directorum

Left to right: Supreme Directorum Katelyn Parsons, Anton Orlov, Casey Bates and Moyra Aziz

AZO Philadelphia

AZO Philadelphia (also known as Philadelphia Alumni) is thrilled and delighted to welcome Alpha Zeta Omega to Philadelphia celebrating in the 100-year anniversary of the founding of Alpha Zeta Omega Pharmaceutical Fraternity. Welcome to Philadelphia, the City of Brotherly Love. AZO Philadelphia has gone through many years of ups and downs. What has never changed is our devotion to peace, friendship and brotherly love. For over 43 years Philadelphia has provided and continues to provide the Morris Abrams Continuing Education Seminars to pharmacists in the greater Philadelphia metropolitan area. Vince Paul, P.S.D. continues to make these seminars a successful professional service to all pharmacists. This year we have seen the loss of our beloved fraters including Dorothy Jacobson, past Auxiliary President. Our commitment to each other and maintaining the goals of our fraternity continues.

Fraternally yours,

Richard B. Greene

AZO Philadelphia Directorum

Tau Alumni

Tau Alumni who attended the chapter's "Last Call" event.

Tau Alumni are happy to report a positive and successful 2018-2019 fraternal year. We kicked off the year with two social events late summer that brought fraters together from all over New England. Hosted in southern New Hampshire by the pool we grilled food, exchanged stories, and had a lot of laughs catching up. Our meetings have been held via Google Hangout, which allowed us to be on video chat with each other near and far on Sunday evenings throughout the year. We talk new business, important dates and events, recruitment, and professional development. In February, our alumni were interviewed via phone by potential fraters before helping our undergraduates initiate three wonderful new fraters into our chapter. Alumni helped to show the importance of the values and history of the fraternity and how that spreads far and wide.

We are currently collaborating with undergraduate fraters to assist them in creating a fundraising proposal that would go before the university, allowing a new fundraising program on campus. We would be supporting Lustgarten Foundation, the college, and our members with this program.

Late March at Maggiano's in the North End of Boston, twenty-four alumni joined our undergraduates for Tau's formal dinner "Last Call". We were very pleased to have Supreme Directorum Katelyn Parsons attend and induct our new officers and we thank her for making the trip. Tau Alumni wishes to congratulate our graduating fraters: Joanna McCormack, Kelsey O'Neil, Adina Petrosan, Shannon Dempsey, Amy Thompson, Tiffani Brown, Brianna Shea, Morgan Sullivan, Roshni Gandhi, and Shaye Vasapolle! Best of luck in your endeavors and we look forward to seeing you join us as alumni very soon.

Finally we would like to extend congratulations to our own Tiffany Janajreh as she becomes installed as Supreme Directorum. We are so proud of you Tiffany. You exude the character and leadership necessary for this role and we know you will be amazing. You have accomplished so much and have been a role model to many within this organization. We are excited to see what the new year will bring!

Fraternally submitted,

Amy DeCorpo

Tau Alumni Sub-Directorum

Rho Chapter

Rho Chapter at Winter Convention in Orlando

Rho Chapter has had yet another great year. We inducted five new fraters on October 6th; all five of whom were elected to executive positions during our officer dinner on April 6th. We were able to hold two fundraisers this year, despite the usual challenges we face since we have a small student body. We were able to donate a portion of our proceeds to the Lustgarten Foundation. We got an official AZO house back this year, in which we made great use out of. We held plenty of recruitment events there over the year, including our annual BBQ and bags tournament, which was held on April 27th. We held the 4th annual St. Louis Nick K 5k in memory of Nick Kapusniak and we are looking forward to the 5th annual 5k next fall. Our annual inter-chapter event, Rhomageddon, was the largest to date this year. We had fraters from multiple chapters come out and celebrate Mardis Gras with us at the annual St. Louis Mardis Gras Parade. I am really happy with the progress Rho chapter has made this past year and I am excited to see where our chapter goes next year under the capable leadership of Jake Neeman and his officers.

PF&BL,

Eric Lehrke

Rho Directorum

The gentlemen of Rho clean up nice to attend their officer dinner at their end of the year officer dinner.

Delta Tau Chapter

The Fraters of the Delta Tau Chapter continue to exceed my expectations and this year has been one like no other for our Chapter. Delta Tau hosted numerous interchapter events this year, which I am proud to say were very successful. Our year began with our Delta Tau Weekend at the end of September. We all had a wonderful time exploring the Big-E, holding a corn-hole tournament to raise money for Lustgarten, and making cards for the Connecticut Children's Medical Center. Our annual formal was another great Interchapter event held by Delta Tau. The formal was a fun night and was capped with the installment of our first Alumni Executive Board. Alumni retention has been a huge focus of our chapter this year. From the beginning of the year to present, we have doubled our active alumni and are excited to see how many of our graduating Fraters will be joining our Alumni Chapter. Fundraising was another huge success this year for Delta Tau. We were able to run events from past years as well as employ new ideas that were a huge hit. Although the semester's end is approaching quickly, we are still running fundraisers to finish off the year. Our past fundraisers such as Yankee Candle and Butterbraid's were a huge success again this year and we had some great apparel fundraisers that had not been done in the past such as hoodies and different designs of shirts. Our fundraising is not done yet for the year but we are looking at having raised upwards of \$1700, which surpasses our totals from last year. We hope to continue to keep raising the bar and outdoing ourselves each year.

Our Professional Chairs worked hard this year to open up new opportunities for our chapter to be involved. Like past years we created rotation spreadsheets to pass on to our members to help them learn about their rotations from other Fraters who previously attended them. In the Fall we worked with the IPHO chapter at our school to bring one of our AZO alumni, Paige Borden, back to present on her current Rutgers Fellowship at Sanofi. In the spring we held an Advanced Pharmacy Practicing Experience (APPE) panel by bringing back current final year students to share their experiences on rotation with our students who will be going on rotation starting in May. This year we were invited to present to the first year pharmacy students at the University on how to cope as a pharmacy student as a part of one of their courses. We hope to continue this presentation in years to come.

Having Philanthropic events is one of our favorite things to do at Delta Tau. So far we have raised about \$725 for Lustgarten and this is not our final total as we still have our

biggest philanthropy event of the year coming up at the end of the semester. We held Give Cancer the Boot, Kiss Away Cancer, Fantasy Football, March Madness, and our most enjoyable Bring the Gold to Lustgarten events. In addition to the money we have raised, we collected a large sum of can tabs throughout the year. Those will be brought and donated to the local Ronald McDonald House in Springfield.

This spring we were proud to welcome 14 new Fraters into our Chapter. These Fraters excelled during pledging and are already making an impact in their short time being Fraters. In addition to the new Fraters we have added, our Alumni Chapter is now fully functioning on their own.

By the time you are reading this I will no longer be Chapter Directorum and will be happily handing off the position of Directorum to Justin Adamczyk and his new executive board. I am proud of all those who earned their positions and I cannot wait to see what they have in store for the future of the Delta Tau chapter. I hope to see you at convention in Philly!

Fraternally

Nicholas Raschilla
Delta Tau Directorum

Lambda Nu Chapter

This has been a spectacular year for the Lambda Nu Chapter, from our beautiful Interchapter sailing through the Casco Bay to our incredible initiation ceremony. First, I would like to recognize the incredible work the executive board has done to make this year a success. Starting with Alyssa White, Jennifer Hammond, and Hillary Chase (recording, corresponding and exchequer), who all have done a spectacular job maintaining all of our chapter's communications far and wide. Second, the amazing Elizabeth Connolly and Cassandra Lyons were responsible for keeping me in check day after day, as well as being responsible for many of the major successes of our chapter this year.

We inducted our largest class to date, with a 100% increase in new members from last year. New member recruitment was led by Pledge Master, Hillary Mishcon, and her Pledge Committee: Lilly Beauregard, Jamie Duggan, and Abby Angevine. With her energizing charisma, Hillary became the definition of brotherly love. She transmitted her love and passion for AZO to every single person she encountered and, as a result we voted for her to be our next Directorum.

Philanthropy Chair, Hillary Chase, hosted various fundraiser events to raise funds for the Lustgarten Foundation. Our fundraising events included a Valentine's Day bake sale, a St. Patrick's Day bake sale, and white coat clipboard sales. As of April 15th, we have reached \$1589.03 of our goal of \$2019. By additionally setting up a Lustgarten fundraising page, we were able to keep track of the funds raised through the semester and help us reach a wider range of donors, such as the supreme members.

Fundraising Chairs, Janeen Osei and Yaneysy Bravo, helped raise funds for our chapter through designing new swag to sell and re-marketing previously purchased items for sale. They held a "White Day" Bake sale and a week-long Krispy Kreme donut fundraiser. Thank you to all the brothers for their help and support with the sales and donated baked goods.

Professional Chairs, Grace Kim and Lilly Beauregard, hosted guest speakers for our fraters and other pharmacy students at UNE. First, our own Executive Alumni Chair Frater, Emi Wilson, spoke about how to navigate student loans, how she chose her career path and the steps she took in school to prepare herself, how she balances work with other aspects of her life, and how to deal with managerial situations we may not be taught about in school. Second, Dr. Amy Enos, the man-

ager of Guardian Pharmacy in Brunswick, Maine, gave a presentation on long-term care pharmacy. She spoke on the role pharmacists play in continuity of care and what the typical day looks like for pharmacists in long-term care pharmacy and the differences among them versus community and hospital pharmacy. Lastly, an information session was held for our new fraters about the possible leadership roles available and what each position entailed, whether it be AZO or other student government positions offered on campus.

Social Chair, Celina Gigliotti, started off the year with our Interchapter Event in the fall involving a gathering at the Directorum's house the first night, the annual sail boat cruise around Portland harbor, and a family dinner. Events held within our chapter members included breakfast at Holy Donut (Maine's famous potato donuts), a Halloween gathering at Retention Committee Chair, Neva Gross', house, a meet-and-greet gathering at the Directorum's apartment before pledge month, and a bowling night out after initiation.

Retention Committee Chairs, Amanda Powers and Neva Gross, set our chapter's retention goal at seven new alumni fraters. Through efforts of writing letters, sending emails/Facebook messages, and using Facebook Live to broadcast meetings for those far away, we were able to add eight new alumni fraters to the chapter, a 400% increase in alumni participation from last year. In addition, the committee also explored options for alumni finances and chapter governance. After working with UNE, we gained approval from the college to create our own alumni account, giving us the freedom to keep track of alumni-only finances while relieving some stress from the undergrad exchequer, allowing us to have more accurate lists of alumni fraters, and providing additional leadership and mentorship opportunities to alumnus and collegiates alike. The next step for the retention committee is to install a full executive board before the end of the 2019-2020 fraternal year.

As this year concludes and I look back to the chapter's achievements, fraters met, and lessons learned, I am forever grateful to have joined this fraternity and very excited about our chapter's future under Frater Mishcon.

Warmly,

Nelson Rodriguez

Lambda Nu Directorum

Epsilon Chapter

Epsilon Undergraduate Chapter Opioid Task Force Event

There is something special to be said about the experiences we share as fraters of this fraternity. Alpha Zeta Omega is the organization you join that literally changes your life. Perhaps, you were a freshman having trouble adjusting to a new college campus – being away from your family and friends you have relied on your entire adolescent life. Perhaps, you were a transfer student, longing to feel accepted and to get involved – trying any and every way you possibly could to avoid feeling like an outsider in a well-established pharmacy class. Possibly it was a decision you made late, after seeing the comradery of the tight-knit AZO group that always sits together in class. Whatever compelled you to join, whatever urged you to take the first step to go to a rush event – it led you here, it led you to us, and it led us to becoming family.

While I would like to take the time in this report to recognize the accomplishments of the Epsilon Undergraduate Fraters this semester, I would like to take time to reflect on the most genuine aspects of our brotherhood that go unrecognized.

As the Epsilon Undergraduate Chapter reflects on a year of growth, adversity, and conflict, we are proud of our fundraising, philanthropy, and advocacy work that we gave back to our community. Raising over \$19,000 for Dance Marathon (DM), our Fundraising Chairs, Ruchi Shah and Nina Seretis found exciting ways to keep our Chapter engaged. With 32 fraters on the dance floor throughout the weekend, we were challenged with “DM Dares” that ranged from push-up challenges to karaoke duets. We admire our Alumni for their donations, and are inspired by their generosity and continued support. The work of our philanthropy chairs, Seong Woo Cho and Anjali Shah, has strengthened our relationships with our RU4Kids, Kiana and Axel, and their families. These relationships are the root of our passion for Dance Marathon and our motivation to support the Embrace Kids Foundation.

Epsilon has been able to advance the mission of the Supreme Advocacy Committee’s Opioid Epidemic Task Force through their partnership with APhA’s GenerationRx. Frater Shailee Gusani hosted an Opioid Awareness Series Event regarding Fentanyl Abuse in America. This event featured a panel of professionals including a campus Police Officer, an Emergency Medical Service personnel, an Emergency Medicine Pharmacist, a member from the Drug Enforcement Agency, and a District Attorney. These panelists fielded questions about the opioid epidemic and the impact of synthetic opioids in the midst of crisis. We are in awe of the collection of professionals that Shailee was able to bring together for this panel and her motivation to continue to spread awareness through these crucial conversations.

Our Closing Affair took place on April 13, 2019. Alumni,

Undergraduates and members from other Chapters came together to celebrate Alpha Zeta Omega’s accomplishments for the year and to welcome our new Epsilon Alumni Executive Board. At our Closing Affair, we recognized Izzat Janajreh and Arielle DiPasquale for their service to the Fraternity and their continued efforts and initiatives that have helped our organization remodel and grow.

In honoring Izzy and Arielle, we are able to see the true impact that service has on this fraternity, and how our bonds are strengthened by the way we give back to one another. I can guarantee every one of the Alpha Zeta Omega Fraters who continues to stay involved have more than one story about how AZO has touched and changed their lives. The Fraters who run for Alumni and Supreme Executive Board positions and who continue to come to convention and Interchapter events have countless stories about what AZO has given them. As we reflect on this Fraternal year, I want to challenge each one of you reading this to ask another frater – What is your fondest memory of another AZO Frater? How has AZO changed your life? What makes you proud to be in this Fraternity? Spread the story of our impact across our schools and across our profession.

I am encouraged, motivated, and excited to see the changes that AZO Epsilon produces in the coming years and know we have an opportunity to transform into something stronger than we ever knew we could be. Thank you for allowing me to serve you, it has been one of the greatest honors of my life. *“Let’s go invent tomorrow rather than worrying about what happened yesterday.”*

Fraternally yours,

Karli Boniello

Epsilon Undergraduate Directorum

Epsilon Chapter Formal at Rutgers University

Theta Gamma Chapter

As the school year comes to a close and the weather finally warms up in Findlay, Theta Gamma is reflecting on the past year and preparing for the fall! We had a great fraternal year full of a few firsts and lots of brotherly love. First, I would like to thank our executive board for all their hard work and time put into their positions this past year. Thank you John Kurth (Directorum), Matthew Buchfellner (Pledgemaster), Audrey Zbydnowski (Excheque), Molly Hoyda (Signare), and Lorin Wise (Bellarum) for all of your dedication. This past fall, we hosted our first interchapter event, AZhOedown, which was a big hit! We are thankful for every frater who made the trip out to see us and had such a great time. We plan to make this an annual event each fall and hope you all get to line dance the night away with us! We began our six-week pledging process in the fall and inducted 15 fraters! Some of our rush events included painting our university's spirit rock, hosting a progressive dinner, and visiting a pumpkin patch. There were improvements made to our pledging process, chapters which were weekly video calls with other chapters and our first Big/Little reveal event. The spring semester brought another first for our chapter as well. Thanks to Addison Sember, the lead of our Opioid Task Force, we hosted an Opioid Epidemic Awareness event on campus. The event included free t-shirts, a spin wheel with information about the Opioid Epidemic, and a poster presentation about naloxone! We plan to have an education event each fraternal year in order to spread information and encourage discussion between students in all areas of study. We made our biggest donation (\$400) to The Lustgarten Foundation! We raised the donations at weekly meetings, bake sale, and contributions from individual members. I hope to have another fundraiser next year for The Lustgarten Foundation and make a larger donation. I am excited to take on the role of Directorum and

Addison Sember at The Opioid Awareness Event

keep moving our chapter forward with our new executive board. I cannot wait to see you all at our centennial convention this summer and keep making unforgettable memories!

Warmly,

Carmen Witsken

Theta Gamma Sub-Directorum

Left to right: Addison Sember, Jace Swingle, Carmen Witsken, Matthew Buchfellner, and Olivia Caiazza.

Epsilon Alumni

It is bittersweet as I write this knowing it is my last correspondence as Epsilon's Alumni Directorum. We had a wonderful year chock full of events, many of which we did for the first time. One of my personal favorites was the successful launching of our own local Lustgarten Foundation Walk. Thanks to the devoted efforts of our own Karli Boniello and Shailee Gusani, in conjunction with the Lustgarten Foundation, the event was a great success and steps are already being taken to repeat the event next year. The other accomplishments I am most proud of are the two CE Webinars we hosted this year. Arielle DiPasquale teamed up with Izzat Janajreh to orchestrate them for us and we found we had better turnout to these events than in previous years. No doubt this can be attributed to the convenience of being able to complete CE's at home. We wrapped up the year with our Formal Closing Affair and installed our new officers for the following fraternal year. It was a pleasure to see so many fraters from other chapters come out and celebrate with us. Our sincerest thanks to everyone who attended. Much luck to next year's Officers and Chairs and I look forward to seeing everyone at the Centennial in Philadelphia!

Fraternally,

Yefim Vexler

Epsilon Alumni Directorum

Kappa Chapter

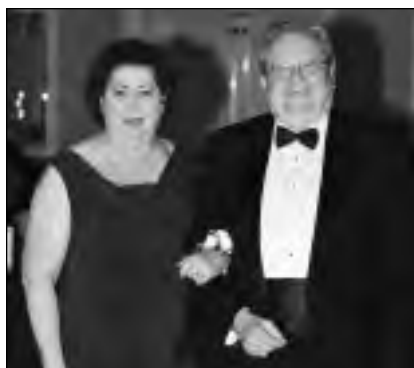

It has been a kind of an uphill climb for Kappa chapter. The last couple of years, recruitment has not really been as we would expect. And as a result, we spent the whole first part of the year trying to figure out how to improve our recruitment process. We were not able to do anything else during that first part of the year. At the end, we were able to recruit more people this year than each of the last couple of years; but it is still not where it needs to be. I am afraid that the new executive board led by Ariel Wilson (our current pledge master) is going to face the same problem next year. I will use this occasion to appeal to supreme and other chapters to help in anyway they can to improve Kappa recruitment.

The second part of the year, we were able to organize normal fraternal activities and events. We had the fundraisers we normally do. Our meetings however did not go exactly as planned because of lack of enthusiasm (this is another area we are looking to improve next year). Our Directorum from two years ago was our guest speaker during one of our meetings, which was a great success. Supreme Directorum Dr. Katelyn Parsons visited our chapter on April 25, 2019. On this occasion, we organized the annual AZO Kappa Hope Lodge event in which the chapter serves dinner to patients at a cancer hospital. The event was a great success, and Supreme Directorum Katelyn Parsons gave us great advice.

Faternally,

Kudzo Adzaklo

Kappa Directorum

Jeanne-Marie, P.N.P. and Paul Holly, P.S.D.

Mel Lessing

Kappa Alumni

Jeanne-Marie, P.N.P. at 2018 National Convention in Charlotte.

Kappa continued their tradition of fantastic continuing education programs! This year it was a team effort finding our speakers. There were returning and new presenters. We ended up with a wonderful range of CEs. This year we were treated to seminars on wound care, new drugs, hepatitis and other interesting topics. Our CE programs help ensure fraters meet all of their educational requirements for licensure renewals. While our numbers slowly dwindle we continue to see decades-long members at our monthly CE breakfasts and yearly banquet. AZO is truly a part of life for many Kappa Alumni. These fraters serve as my inspiration to uphold the traditions and legacy they established.

Cheers to another year of peace, friendship, and brotherly love,

Michelle Shapiro

Kappa Directorum

This is an original prescription form (dated October 26, 1933) for medicinal liquor from one of Lou Flacks' pharmacy stores. Prescriptions were issued under the authority of the National Prohibition Act. There was a speakeasy in the back of the pharmacy store where customers could drink their 'Prescription'.

Tau Chapter

The 2018-2019 fraternal year has been extremely successful for the Tau undergraduate chapter. We initiated three amazing fraters in February. Jana, Kaileen, and Diksha have already contributed to our chapter. We started a new fundraiser for the Lustgarten Foundation and saw great success in our annual fundraisers like the 50/50 Superbowl Square raffle.

This semester the ladies of Tau enjoyed formal season. Delta Tau, Epsilon, and Rho Iota showed us a very good time. I hope in the future, Tau can extend an invitation to a formal of our own. Although we only hosted one inter-chapter event, it was "straight up" a good time. Events like Tau Third Weekend solidify the meaning of peace, friendship, and brotherly love. Tau is one of the smaller chapters in AZO right now, but we felt extremely fortunate for our fellow fraters to come to Boston and take part in tradition with us.

We were lucky to have Supreme Directorum Katelyn Parsons visit Tau on a couple of occasions. One event was our annual "Last Call" which was a night to remember. I would like to

congratulate and thank our 10 graduating fraters. Past Directorum Joanna McCormack, Past Pledgemasters Adina Petrosan and Kelsey O'Neil, Supreme Associate Undergraduate Rep Brianna Shea, and Fraters Shannon Dempsey, Shaye Vasapolle, Tiffani Brown, Morgan Sullivan, Roshni Gandhi, and Amy Thompson. You have done so much for this fraternity as undergraduates and we cannot wait to see what you all do as alumni.

My time as Directorum comes to a close, I pass Tau to my pledge brother, Taylor Botelho. Directorum is not an easy task but I know Taylor will shine and lead Tau in the right direction.

This year, and many years to come, Tau continued to hold the values of AZO first, contributed to our national philanthropy and provided service to our local Boston community. Everyone should be proud of themselves. As always, thank you to Supreme as well as Tau alumni and undergraduates for an amazing year. I am honored to call AZO my family.

Fraternally,

Morgan Quigley

Tau Directorum

Charlotte National Convention Report

This year's National Convention brought us to uncharted territory ...the beautiful city of Charlotte, North Carolina. The Le Meridian Hotel could not do enough to make us feel right at home in the downtown Charlotte area. Our welcome reception was held in CJ's Lounge which looked like it was right out of the 1920s stage and all. It was an incredible backdrop for an interchapter "lip sync" contest where we discovered the amazing talents of so many of our fraters. It was truly a fun night (which of course included lots of great food and drink!) Thursday after breakfast in the Craft City Social Club we enjoyed our awards lunch and continuing education program. The evening was a beautiful Achievement Award Dinner honoring the seven-time P.N.P. Lois Seidenman. Friday afternoon we split in two directions! Some of us headed to the Charlotte Motor Speedway to experience the Feel the Thrill Tour around the track and others (older folk) went for the more sedate tour of the Johnson and Wales culinary school complete with taste testing of delicious breads that were being made in front of our eyes. Whatever direction we went everyone came back having had a fantastic time. Saturday was the all important elections in the fraternity meeting. The evening was a memorial service, reception and of course the gala Installation Dinner and Dance. The incredible DJ kept everyone hoppin' until way after the program was over. Sunday we all bid adieu anticipating another fun time with Mickey and his friends in January.

Fraternally,

Gloria Flacks, P.N.P.

Orlando Regional Convention Report

Well once again we all met at the fun-filled Walt Disney World in Orlando, Florida for our Winter Convention staying at the Hilton Lake Buena Vista Resort. The location could not have been better as we were steps from the Disney Springs area which provided so many food and fun places. Thursday evening after registration all 150 fraters and guests piled into buses to head to Charley's Steakhouse for delicious food and drink! Upon arriving back at the hotel some went across the street to enjoy the nightlife at Disney Springs and others went to gab the night away in the magnificent hospitality room (that was like an apartment!). Friday was our free day and what better way to enjoy it but in a Disney park. So, after the extensive buffet breakfast there was a mad dash to the Disney buses to do just that. So much fun as always! Saturday was again a great breakfast, fraternity and auxiliary meetings, and a continuing education luncheon. The evening celebration was the Jay L. Pollock Undergraduate Award Dinner and Dance honoring Frater Natalie Underdown. Afterwards the DJ rocked the house and kept everyone on their feet to the "Don't Stop Believing" finale. A great time was had by all. And here we go in July to Philadelphia for our 100th year celebration!

Fraternally,

Jay L. Pollock

Supreme Undergraduate 2019 Recipient

An annual award presented to an Undergraduate Frater in recognition of his/her achievements in scholarship, leadership, extracurricular activities and service to the fraternity.

Frater Natalie Underdown, Lambda Nu

RECIPIENT OF THE 2019 JAY L. POLLOCK UNDERGRADUATE AWARD

Natalie Underdown was born on March 27, 1995 in Portland, Maine to her parents Ann and Frank Underdown. She was raised and attended school in Cape Elizabeth, Maine where her parents and older brother, Frankie, still reside. Growing up she was often told that she had an "old soul," and bonded well with her mother through her faith and with her father through music. As a child and to this day, Natalie is known to be more introverted and observant, and due to feeling very connected and receptive of the emotions of people around her, she had the inclination to want to help others lead more healthy lives. Natalie has young memories of trying to mediate her family's health issues. As she got older, she realized she wanted her path to follow a road where she could have the ability to help people. She chose to pursue studies in pharmacy at the University of New England after realizing that this career was the perfect combination of her love of science, the medical field, and being able to make a positive impact on the lives of others.

Growing up, Natalie was academically focused and artistically creative, however she enjoyed spending most of her time outside, especially through camping and being out on the ocean. She never considered herself to be a part of the popular group of kids in school, but instead had close friends in several different social groups. When Natalie entered high school, she had her close friends but often felt invisible in her class and known generically as a very quiet, nice, smart, and tall girl.

It was not until Natalie took a hesitant step towards joining the high school volleyball team her freshman year

when she discovered a passion for this sport and developed a stronger presence and voice among her fellow classmates. Volleyball became Natalie's outlet; it brought her so much joy and it taught her valuable lessons in pushing yourself to achieve your goals. She played all four years in high school, both on the high school team as junior varsity captain and then the varsity captain, as well as on a year-round junior Olympic travel volleyball team with girls from different schools in Southern Maine. Volleyball taught Natalie how to channel her energy, become a leader, and be confident and vocal. Her mother and father were extremely supportive of her and had spent many weekend mornings getting up at 3 AM to drive her to tournaments in different states.

Natalie grew up in a home where some family members were touched by addiction and because of this, she was independent and strong-willed starting at a young age. Since she was a child, she was aware of the effects addiction can have on the social dynamics and mental health in a family. Towards the end of high school, Natalie found through shadowing experiences many areas of pharmacy practice that exist and the opportunities that pharmacists had to improve the health of others. The variability in this career interested Natalie, and upon entering pharmacy school, Natalie made a vow to herself to push beyond her comfort zone and seek opportunities and challenges to make her grow as a person and a future pharmacist.

At the beginning of pharmacy school, Natalie was hoping to start moving past her introverted nature that had previously held her back during her undergraduate studies.

Pharmacy school was a fresh start and the perfect opportunity to accept new challenges that she once would have shied away from. Moving out of her parent's house at the age of 20 was necessary for her success, happiness, and ability to tackle graduate school at her full capacity. She moved into her first apartment in June of 2015 prior to her first year of pharmacy school, where two older students, who were Alpha Zeta Omega brothers, were living.

Natalie joined the Lambda Nu Chapter of Alpha Zeta Omega during her first year of pharmacy school and because of that, her eyes were opened to a family of inspiring and ambitious individuals across the country. Her first convention was in Montréal, Canada, and after her attendance, she was at a loss of words how everyone she had met treated her like an old friend. Having both the love and support of her AZO brothers behind her and in front of her as inspiration, Natalie began to take on leadership roles within her College of Pharmacy.

During her three years of didactic studies, Natalie had diverse leadership roles within the University of New England College of Pharmacy. These roles include being the Student Society of Health-System Pharmacists P1 representative and Education and Programming Committee, being on the Phi Lambda Sigma Leadership Society Leadership Fair Committee, being one of the heads for the Charity Gala Committee, the head of her class Fundraising Committee, and College's P3 Celebration Cruise, being on the Lambda Nu Pledge Committee, and also being a Class Officer for three years, an officer in Rho Chi, and Lambda Nu's Corresponding Signare previous to becoming Lambda Nu's Directorum for the 2017/2018 fraternal year. She has also been a Director of Development within AZO during her last year of pharmacy school and has thoroughly enjoyed being involved in chapter and fraternity organization and development tasks.

Natalie was deeply invested in developing more meaningful clinical skills while at the College of Pharmacy, so she became SBIRT certified through the Substance Abuse and Mental Health Services Administration as well as Point of Care Testing Certified. She was deeply interested in the substance misuse population, and due to her family background, she attended numerous learning seminars throughout her time at UNE to learn how to better serve this population. Due to her investment in the University of New England and the presence that she had in the College of Pharmacy, she was awarded the University of New England Professional Citizenship Award for being a role model for other students.

For work experience, Natalie had worked in a variety of settings that have been extremely rewarding over the years. During her undergraduate studies at the University of New England, Natalie was the Men's Ice Hockey Travel Manager for two years and after her first year of undergraduate studies, she became a pharmacy technician at Maine Medical Center's New England Rehabilitation Hospital where she currently still works. During summer months for the first two years of her graduate studies, she worked for a professor in the Environmental Science Department at the University of New England and had a field research position in the topic of rooftop nesting sea gull populations in Maine. During this job, Natalie could

be found on the rooftops of buildings in Portland, Maine banding newborn Herring Seagull chicks and recording data on their populations across the city. In the Fall of her first two years in graduate school, she was a co-coach for the Cape Elizabeth Middle School Volleyball team. Helping these young girls develop both their volleyball and teamworking skills was a very rewarding job for her and being their coach was her way of giving back to Cape Elizabeth volleyball.

Her family had joked that Natalie was a crazy bird lady after she began her second job in pharmacy school working with birds at the Maine Audubon one summer. In this job, Natalie was based on a beach in Kennebunkport, Maine where she worked on collecting statistics and protecting the endangered Piping Plover species as well as offering education to those visiting the beach and local home owners. After her first Introductory Pharmacy Practice Experience, Natalie was hired at her previous site, Wilson's Drug Store, where she would pick up shifts as needed. Outside of these jobs, Natalie has enjoyed occasional help with a catering company based in Scarborough, Maine, as well as babysitting, housesitting, and animal watching for family, friends, and University faculty.

In her time as Directorum of Lambda Nu, Natalie had strived to make her brothers' involvement more meaningful and to make Lambda Nu a stronger family. Natalie wanted AZO to become a stronger organization due to the bond and dedication the brothers had towards each other, but also to their community. She encouraged senior brothers to tutor the younger students, expand their community service, push their fundraising to higher goals, and increase attendance to AZO interchapter events and conventions. From her personal experience, creating bonds with the brothers across the country is a crucial part to remaining invested in AZO past graduation. She wanted to have the brothers of Lambda Nu experience AZO to its fullest capacity by increasing their involvement and stepping out of their comfort zone like she had when attending her very first convention.

Natalie's success throughout her time at the College of Pharmacy was largely due to the confidence and skills she had gained by being a part of Alpha Zeta Omega. Whenever she needed support, her AZO brothers were the first ones to be there or message her. During pharmacy school, Natalie had gone through several medical setbacks and two surgeries, and without her brothers beside her, her journey would have been much more difficult. At the beginning of her graduate studies, she would have never anticipated standing where she is now and being surrounded by as many individuals that love and care about her. The love that AZO has brought into her life has deeply impacted her and she looks forward to continuing to grow within this fraternity as she graduates this May. As a naturally curious person, Natalie is looking forward to continuing her personal growth academically, spiritually, physically, and mentally by continuously looking for opportunities to reach higher goals. Post-graduation (May 2019), she will be a Resident at the University of Vermont Burlington Medical center and looks forward to continued involvement within Alpha Zeta Omega.

AND DRINK VOUCHERS TO EACH MEAL**

CITY OF PHILADELPHIA

JAMES F. KENNEY
Mayor

Office of the Mayor
215 City Hall
Philadelphia, PA 19107
(215) 686-2181
FAX (215) 686-2180

July 24, 2019

Dear Friends:

As Mayor of Philadelphia, I would like to welcome you to our city for the 99th Annual Alpha Zeta Omega National Convention.

This year marks a special milestone for Alpha Zeta Omega, which was founded right here in the City of Brotherly Love. Congratulations upon reaching your 100th fraternal year. Throughout this past century, Alpha Zeta Omega has brought together some of the brightest pharmacists and undergraduates studying pharmacy – all of whom are selected on the principles of character, fellowship and scholarship.

Alpha Zeta Omega also prides itself on bringing together professional men and women who maintain high ethical ideals and a call to service to their professions. I wish you all a spirited convention that celebrates the values of *“Peace, Friendship, and Brotherly Love.”*

Again, welcome and best wishes to you all on a successful conference. During your stay, I hope you can experience and enjoy the historical and cultural attractions that make Philadelphia such a desirable place to visit.

On behalf of the City of Philadelphia, we look forward to hosting you.

Sincerely,

A handwritten signature in cursive script that reads "James F. Kenney".

James F. Kenney
Mayor

Counting Backwards from 100

A noteworthy 20th century achievement combines the medical sciences of pharmacology, cardiology and oxygen therapy to accomplish pain-free surgical procedures. The most prolonged and anatomically intrusive operation is achieved absent the patient's consciousness or cognizance of discomfort. The procedure is usually initiated by the anesthesiologist's directive to count backwards from 100, as the gaseous soporific mixture flows into the nostrils of the prostrated individual. Rarely will the countdown arrive at numeral 95.

To adequately appreciate the consequential value of AZO's optimistic future, it is imperative that we remind ourselves where we, as a vital, thriving fraternal organization, originated and matured over the preceding 100 years. Our birth-place is, not coincidentally, here in Philadelphia while the rationale for AZO's inception is more complex. A dozen classmates, enrolled in the Philadelphia College of Pharmacy, were denied entry into the two existing fraternities explicitly because of their religious persuasion. Consequentially, in 1919 these aspiring pharmacists clandestinely to create and found *The Dead Man's Club*, the forerunner of our fraternity. Their primary motive was to sustain each other, assuring that all would complete the formidable curriculum, graduate, and enter the domain of pharmacy practice.

A hundred-year retrospective is far beyond the scope of this column. I would be remiss in any attempt to describe the achievements and dedication of so many officers and members, spanning a century, through whose vision, commitment and perseverance AZO prospered and flourished, during depression, war, social upheaval, innovative and nontraditional professional roles and responsibilities, and the invaluable inclusion of women into the society. Counting backwards through the century to appreciate the immense accomplishments of so many stalwart fraters would be folly. Appreciating those who preceded us is indeed praiseworthy.

On this occasion of our imposing centennial festivities, proud and exuberant AZO fraters have assembled in the City of Brotherly Love, anticipating an elegant convention that will inspire an already instilled yearning for a lifelong association and viable interaction with the Alpha Zeta Omega Pharmaceutical Fraternity. Attendees should anticipate the fraternity's splendid future of abundant social activities, continuing education opportunities, conferences in exciting and appealing venues, coordinated travel agendas, sporting events, local chapter meetings and programs, and a myriad of occasions, most significantly enhancing camaraderie among colleagues practicing in diverse disciplines of the extraordinary pharmacy profession. Thus, it is understandably attractive to pharmacy students and alumni who desire AZO's grand and noble qualities of peace, friendship and brotherly love.

Silent Mortars

*"The Lord giveth and the Lord taketh away.
Blessed be the name of the Lord".*

It is my sad duty to report that the following Fraters have passed away during the past fraternal year:

AZO Fraters

Alfred 'Fred' Abramson – Kappa

Melvin Altman – Milwaukee Alumni

Henry 'Hank' Barish – Zeta

Bernard 'Buddy' Benjamin – Theta

Leonard Breitenbach – Epsilon

Marvin Caligor – Zeta

Arthur Cohen – Theta

Guenther Goldsmith – Rho

Barry Gordon – Nu

Paul Green – Mu

Allan Greenberg – Zeta

Harold Lederman – Zeta

Beryl Lerner – Kappa

William Liepack – Mu

Alan Packer – Xi

Don Rosensweet – Eta

Bob Santos – Mu

Stanley Zeidman – Eta

National Auxiliary Members

Barbara Altman – Milwaukee Alumni

Edith Brenner, P.N.P. – AZO Philadelphia

Dorothy 'Dottie' Jacobson, P.N.P. – AZO Philadelphia

Eva Ponce – Milwaukee Alumni

These were merciful Fraters whose righteous deeds have not been forgotten.

They are transmitted to their descendants; a good inheritance for their posterity.

This posterity shall endure forever and their glory will not be blotted out, they live buried in peace; their names live on for all generations. Alpha Zeta Omega will declare their wisdom and recite praise.

*"May the Father of peace send peace to all who mourn
and comfort all who are bereaved"*

Amen.

Paul R. Holly, P.S.D.

Supreme Chaplain

In Memoriam
Edith Brenner, P.N.P., AZO Philadelphia

October 4, 1930 – May 16, 2018
1964-1965 National Auxiliary President

Edith Brenner, P.N.P., cherished wife of the late Bernard and devoted mother of Jill Brenner Gessner (David), Annie Brenner Friedman (Barry), and Dr. Barry I. Brenner (Effie). Loving Bubbie of Nathan Gessner, Alex Gessner (Leah Sandals), Matt Friedman, Andrew Friedman (Cara), Marc Brenner (Ashley), Mike Brenner, and Jeff Brenner (fianceé Lauren Wink). Eadie expertly managed a pharmacy, was quick-witted, an avid reader and an accomplished bridge player. She was fiercely dedicated to and treasured by her family, with special bonds connecting her to each of her seven grandsons. Together with her cherished husband Bernie, a life-time pharmacist and AZO frater, they established an endowment fund at Temple University, School of Pharmacy. May her memory be a blessing to us.

Contributions in her memory may be made to the Bernard and Edith Brenner Scholarship Fund at Temple University School of Pharmacy.

Rest in Peace

In Memoriam
Dorothy 'Dottie' Jacobson, P.N.P., AZO Philadelphia

March 22, 1932 – April 7, 2019
1988-1989 and 2004-2005 National Auxiliary President

Dottie was born and raised in south Philadelphia. Her father ran a successful upholstery business and Dottie being a late-in-life baby and the only girl after three boys was the apple of her father's eye. Dottie went to Temple University and met Ernest 'Ernie' Jacobson, who was a student at the Philadelphia College of Pharmacy and Science. They married in 1951 and parted only when Ernie passed away last year. Ernie had served in the military, bought a drugstore and with Dottie had two children, Barry and Heidi. Once their children were in school, Dottie went to work at the synagogue that the Jacobsons would be members of until Dottie's death. Dottie was a secretary in the synagogue office. She was the only secretary that ran the day camp office. When the synagogue moved from the city to the suburbs, Dottie moved her job and position. She was the administrator of the school office and everyone who belonged to the synagogue knew, loved, and respected her.

A loyal friend to many, Dottie's first priority was her children. Barry married Carrie and they had four children, Brad, David, Rachel, and Emily. Today Brad is married to Elinora, and Dottie had made all the plans to be present at David's wedding to Stephanie. Brad and Elinora gave Dottie and Ernie two very special gifts, two great grandchildren, Noah and Evie. Heidi married Mitchell Rubin and they had Llana and Shira. Llana is married to Matan and Shira is married to Ben.

Dottie's AZO life was filled with good times and work as, Auxiliary President 1988-89 and 2004-05, Secretary, and the present Sunshine Chair. She was outspoken at meetings of the Auxiliary but with only one purpose, to see the Auxiliary flourish. Today, she is playing a mahjonn game, and holding a glass of wine. Hopefully, she has met up with Ernie and many friends having cocktails every day. Enjoy, but know that we all miss you.

Rest in Peace

In Memory of
Dr. Jeff Levy

45 Million Americans alone have at least one Tattoo.

Dr. Alain Martin is also the original creator of faster healing Neosporin, Lubriderm, Rezulin (Type II Diabetes), Cool Mint Listerine, Early Pregnancy Test (EPT), and other products still being sold, as well as Patented EmphyCorp OTC and Rx Nasal & Lung Sprays in the U.S. and China, North Cell Patented Fresh Ink, plus next generation faster/better healing Triple Antibiotics (2-3 days and 2-5 days faster/better healing), Skincare, New Eczema Lotion (available in June 2019), Drug Free Post Laser Aftercare Products with a cooling gel for pain (available in June 2019), Topicals, and Injectables products.

All products have worldwide Patents, including China and U.S. Human Clinicals to support claims.

Return Solutions
[go with what works]™

Reclaim time spent tracking expired product return credits so you can focus on what matters most: your customers and your business.

The OneCheck Select difference: receive a single check, issued within your choice of 30, 60, or 90 days after a return, for all credit due from Return Solutions.

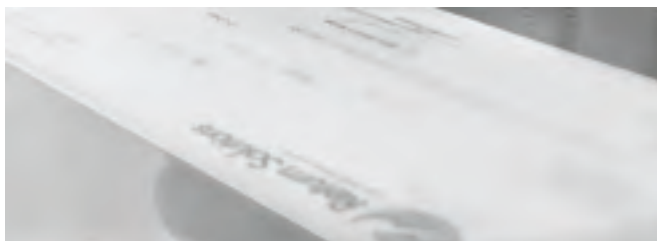

Credit issued in a single check eliminates credit tracking.

Receive credit in as little as 30 days after your return.

All-inclusive fee deducted from your check means no surprises.

Credit issued is listed on your check stub, virtually eliminating credit tracking. Choose from our turn-key on-site service or our easy and economical web-based mail-in service. We offer free shipping, free controls processing, and free destruction of non-returnable items with return of items for credit.

Introducing MedCollect, our simple, cost-effective, and compliant consumer medication disposal service! Display your commitment to your community's safety and drive traffic to your store by installing a medication collection kiosk in your pharmacy. Learn more at www.mymedcollect.com.

***Thank you to our
Continuing Education presenters.***

***On behalf of the
Supreme Chapter of the
Alpha Zeta Omega
Pharmaceutical Fraternity,
thank you for serving
the pharmacists with their
CE requirements.***

WILENTZ

—ATTORNEYS AT LAW—

PHARMACY LAWYERS

We proudly support the Alpha Zeta Omega Pharmaceutical Fraternity Summer National Convention and join them in honoring Katelyn Parsons and Lois Seidenman, PNP. For over 35 years, we have represented pharmacies and pharmacists in all aspects of regulatory compliance, including in:

- Sales and purchases
- Licensing
- HIPPA
- Mail order pharmacies
- Audits
- Hearings before the New Jersey Board of Pharmacy, Medicaid, Medicare, the Drug Enforcement Agency and third party insurance companies

As lawyers and registered pharmacists ourselves, we bring Alpha Zeta Omega Pharmaceutical Fraternity members a unique combination of our knowledge and experience in law and science, which allows us to develop strategies that appropriately respond to the legal and commercial aspects of each situation.

Have a question about your pharmacy practice? Maybe we can help. 732.855.6096

Ronald McDonald House Charities

Helping families find strength in numbers through a network of local Chapters.

Helping families find strength in numbers through a network of local Chapters. It's something we see every day – children healing because they're surrounded by their families. And while RMHC may not be able to make the medicine taste better or erase the pain of a much-needed treatment, we can help lessen the burden for more than seven million families each and every year. Since 1974, our network of local Chapters have been making children happier and healthier by keeping families together – giving them a place to rest and refresh. A place that feels like home. These programs, tailored to meet the urgent needs of each community, can now be found in 58 countries and regions across the globe.

GET INVOLVED

Help us help even more families in need.

Each year, seven million children and families are served by RMHC – and more need our help. We want to support more children throughout their recovery, give more families a comfortable place to stay during a difficult time and offer medical services to more children who are without.

But we can't do it without you, so we're asking you to get involved. There are so many ways for you to join us in our mission dedicated to providing stability and vital resources to children in need.
